ALABAMA ARTICULATION PROGRAM (STARS)

The Alabama Articulation Program (also referred to as STARS--Statewide Articulation Reporting System) is an internet based articulation and transfer planning system designed to inform students who attend public two-year and four-year institutions about approved transfer courses and programs. STARS is an efficient and effective way of providing students, counselors, advisors, and administrators with accurate information upon which transfer decisions may be made. STARS is the information link between the public institutions of higher education in the State of Alabama. The STARS internet system, if used properly, can prevent the loss of course credit hours, can provide direction for scheduling of course work, and can ease the transition from one institution to another. Students who are interested in this program should first see their advisor. Transfer guides can be obtained directly through the STARS home page at http://stars.troyst.edu. For further information contact the respective Colleges (College of Arts and Sciences, College of Business, or College of Education).

GOVERNANCE

Athens State University is a baccalaureate degree granting institution operating under the control of the Alabama State Board of Education. The president is the chief executive officer of the University and is directly responsible to the State Board of Education through the Chancellor of Postsecondary Education.

HISTORY

Athens State University is the oldest college in the state of Alabama. The University was founded in 1822 by local citizens who purchased five acres of land, erected a building, and began Athens Female Academy. Ownership of the school was transferred in 1842 to the Tennessee Conference of the Methodist Church. With the birth of the North Alabama Conference of the Methodist Church in 1870, the College came under the jurisdiction of that body.

On May 10, 1974, the Board of Trustees requested from the North Alabama Conference of the United Methodist Church that the College seek affiliation with the State of Alabama. The conference, at its annual meeting in June, 1974, gave the Board of Trustees this permission and authorized the transfer of the College to the State of Alabama.

In June 1975, the College was accepted by the Alabama State Board of Education subject to the appropriation of operating funds by the Alabama Legislature. Later that year, the Legislature appropriated funds for the operation of the College to serve the graduates of state junior, community, and technical colleges/institutes.

The institution’s name has changed several times in its history, following adjustments in purpose and governance. Athens Female Academy, upon transfer to the Tennessee Conference of the Methodist Church in 1842, became Athens Female Institute. Then in 1889 after having been transferred to the newly formed North Alabama conference, the College was known as Athens Female College. In 1931, the College became coeducational and was known as Athens College. In 1975, when the institution became part of the state educational system, it was renamed Athens State College, marking the initiation of an era of increased opportunity for service. In 1998, a bill was passed by the legislature to rename the College to Athens State University. The long history of service by the University is the foundation upon which the future of the University rests.

All students should be aware that a cumulative minimum grade point average of 2.0 on a 4.0 scale is required for graduation in all Colleges except the College of Education (graduates must have a 2.5/2.75—see College of Education guidelines for specifics and the College of Arts and Sciences graduates must have a 2.5 GPA in the appropriate majors). Students with probationary status at Athens State University cannot receive permission to take coursework from another institution.

Credit earned at another institution may not be used to clear probationary status at Athens State University.

Academic Probation for Currently Enrolled Students
An academic review of each student’s record occurs at the completion of each term. When a student is placed on a status of probation or suspension, University officials may provide intervention for the student by taking steps including, but not limited to, imposing maximum course loads and/or prescribing specific courses. Any student who was admitted on “clear” status and whose grade point average at Athens State University falls below 2.0 is immediately placed on academic probation.

Suspended—One Semester
A student whose subsequent grades in the next term do not meet the required 2.0 will be placed on One Term Academic Suspension. The transcript will read SUSPENDED—ONE SEMESTER. If you are suspended, you will be withdrawn from classes that you have pre-registered for the next term.

Suspended—One Semester/Readmitted
A student who is suspended for one semester may appeal to the Admissions Committee. (See “The Admissions Committee,” page 15) If, after appeal, the student is readmitted without serving the one semester suspension, the transcript will read SUSPENDED—ONE SEMESTER/READMITTED UPON APPEAL.

Appeal Process
If a student declares no contest of the facts leading to suspension but simply wishes to request consideration for readmission, the student may submit a typed request for an “appeal for readmission” to the Admissions Committee (See “The Admissions Committee”, page 15) within a designated, published number of days of receipt of the notice of suspension. The decision of the Admissions Committee, together with the materials presented by the student, shall be placed in the college’s official records. Equity, reasonableness, and consistency shall be the standards by which such decisions are measured. Students will be notified in writing of the decision within 10 instructional days after receipt of the request for appeal. All requests for appeals must be received within 5 instructional days following receipt of notice of suspension.

Suspended—One Year
The student who is readmitted upon appeal reenters the institution upon Academic Probation. A student on Academic Probation after being suspended for one semester (whether the student has served the suspension or has been readmitted upon appeal) and
who does not achieve a 2.0 at Athens State University in the subsequent semester will be placed on One Year Academic Suspension. The transcript will read SUSPENDED--ONE YEAR.

**Suspended--One Year/Readmitted Upon Appeal**
The student who is suspended for one year may appeal to the Admissions Committee (See “The Admissions Committee”, page 15). If, after appeal, the student is readmitted without serving the one year suspension, the transcript will read SUSPENDED--ONE YEAR/READMITTED UPON APPEAL.

**Academic Bankruptcy**
According to State Board Policy, a student may request in writing to the Registrar to declare academic bankruptcy under the following conditions:

1. If fewer than three calendar years have elapsed since the semester for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all coursework taken during that one semester provided the student has taken a minimum of 18 semester credit hours of coursework at the institution since the bankruptcy semester occurred. All coursework taken, even hours completed satisfactorily, during the semester for which academic bankruptcy is declared will be disregarded in the cumulative grade point average.

2. If three or more calendar years have elapsed since the most recent semester for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all coursework taken during 1-3 semesters provided the student has taken a minimum of 18 semester credit hours of coursework at the institution since the bankruptcy semester occurred. All coursework taken, even hours completed satisfactorily, during the semester(s) for which academic bankruptcy is declared will be disregarded in the cumulative grade point average.

“ACADEMIC BANKRUPTCY” will be reflected on the transcript for each semester affected. A student may declare academic bankruptcy only once at Athens State University and cannot apply for Academic Bankruptcy after graduation.

Implementation of academic bankruptcy at an institution does not guarantee that other institutions will approve such action. This determination will be made by the respective transfer institutions.

A student’s overall grade point average must be 2.0 or higher (transfer and Athens State University credits). No more than 64 semester hours of junior/community college credit will apply toward graduation degree requirements.

Transfer students who have completed a major before enrolling at Athens State University may be required to take selected courses for the major at this institution.

Course credit taken at the graduate level or applied toward a graduate degree will not be accepted at Athens State University or recorded on the Athens State University transcript. However, certain courses may be used as substitutions or waivers for a specific course in the Athens State University degree program but will not affect the total hours residency required for that degree program.

**TRANSFERABILITY AND APPLICABILITY OF COLLEGE CREDIT FROM OTHER INSTITUTIONS**
Transferability refers to the condition under which the University accepts credits from other postsecondary institutions for inclusion in the student’s records. Such course work must be relevant to the degree the student is seeking and will be evaluated as to content and level of instruction resulting in student competencies at least equivalent to those of students enrolled at Athens State University.
Applicability of credit toward a degree refers to the prerogative of the School to count specific credit toward the fulfillment of a student’s degree requirements.

Official evaluations will be processed when (1) the applicant has presented proof of satisfactory completion of one semester at Athens State University, and (2) transcripts from all previously attended institutions have been recorded.

LIMITATIONS

Each course is three (3) semester hours credit, and carries the standard per hour tuition. Students assume the responsibility for registering for the appropriate course(s) credits, and for submitting to their Public Safety Administration Faculty Advisor all appropriate certificate copies and documentation of appropriate work experiences. Students successfully documenting advanced professional skills and administrative experience will be awarded a score of “P” (passing) for appropriate coursework. LEGAL SANCTIONS REGARDING UNLAWFUL USE, POSSESSION, OR DISTRIBUTION OF ALCOHOLIC BEVERAGES AND ILLICIT DRUGS

State Offenses

Activities which violate Alabama laws concerning illicit possession, use, and distribution of alcoholic beverages or drugs include, but are not limited to, the following. Schedule I consists primarily of “street drugs” such as heroin, morphine, marijuana, LSD, Mesaline, etc. Schedule II includes opium, cocaine, and methadone, among other illicit drugs. Schedule III drugs include those which have less potential for abuse than Schedule I or II, and those substances with the least potential for abuse are included in Schedules IV and V. The Schedules may be found at Code of Alabama (1975), Sec. 20-2-23, et. seq.)

Penalties for subsequent violations of the above-described provisions are progressively more severe than the initial convictions.

Federal Offenses
Activities which violate federal laws concerning illicit possession, use, and distribution of alcoholic beverages and drugs include, but are not limited to, the following: 21 U.S.C. 841 makes it a crime: (a) to manufacture, distribute, or dispense, or possess with intent to manufacture, distribute, or dispense, a controlled substance; or (b) to create, distribute, or dispense, or possess with intent to distribute or dispense, or counterfeit substance.

(The U.S. Code establishes, and authorizes the U.S. Attorney General to revise as needed, classifications of controlled substances. The drugs are each classified in one or more of five schedules,” Schedule I being comprised essentially of “street drugs” and Schedule V being comprised of drugs with a “low potential for abuse” when compared with drugs in Schedules I-IV. Examples of Schedule I drugs are heroin and marijuana. PCT, for example, is a Schedule II drug. Amphetamine is a Schedule III drug, while Barbitol is a Schedule IV drug. An example of a Schedule V drug would be a prescription medication with not more than 200 mg. of codeine per 100 grams.)

The penalties for a first offense conviction of violating the laws described in items (a) and (b) above are:
1. In the case of a Schedule I or II drug which is a narcotic drug, not more than $25,000.00, or both.
2. In the case of a Schedule II drug which is not a narcotic drug or in the case of a Schedule III drug, not more than five (5) years in prison, a fine of not more than $15,000.00, or both.
3. In the case of a Schedule IV drug, not more than three (3) years in prison, a fine of not more than $10,000.00 or both.

5. Notwithstanding subparagraphs 91) through (4) above, the distribution of a small amount of marijuana for no remuneration is punishable by imprisonment of not more than one (1) year and/or a fine of not more than $5,000.00.
6. Notwithstanding subparagraph 91) through (4) above, the manufacture, possession, or distribution, or intent to manufacture, possess, or distribute pheneyclidine (PCP, “angel dust”) is punishable by up to ten (10) years in prison and/or a fine of not more than $25,000.00.

Penalties for subsequent violations of these provisions are progressively more severe than for initial convictions.

Local Ordinances
The local authorities abide by the federal laws concerning illicit possession, use, and distribution of alcoholic beverages and drugs.

LIST OF HEALTH RISKS AND SYMPTOMS OF DRUG AND ALCOHOL USE AND ABUSE
The following is a list of some of the health risks and symptoms associated with the following categories of substances. It is not intended to be the final word on such health risks, since the scientific and medical communities will continue their research into and discoveries concerning the abusive use of drugs and alcohol.

A. Cannabis
1. Includes marijuana, hashish, hashish oil and tetrahydrocannabinol (THC).
2. Regularly observed physical effects of cannabis are a substantial increase in the heart rate, bloodshot eyes, a dry mouth and throat, and increased appetite.

Use of cannabis may impair or reduce short-term memory and comprehension, alter sense of time, and reduce ability to perform tasks requiring concentration and coordination, such as driving a car. Research also shows that students do not retain knowledge when they are “high”. Motivation and cognition may be altered, making the acquisition of new information difficult. Marijuana smoke contains more cancer-causing agents than tobacco. Long-term users of cannabis may develop psychological dependence and require more of the drug to get the same effect. The drug can become the center of their lives.

B. Cocaine
1. Includes cocaine in powder form and a “crack” in crystalline or pellet form.
2. Cocaine stimulates the central nervous system. Its immediate effects include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature. Occasional use can cause a stuffy or runny nose, while chronic use can accelerate the mucus membranes of the nose. Injecting cocaine with unsterile equipment can cause AIDS, hepatitis, and other diseases. Preparation of freebase, which involves the use of volatile solvents, can result in death or injury from fire or explosion. Cocaine can produce psychological and physical dependency, a feeling that the user cannot function without the drug. In addition, tolerance develops rapidly.
Crack of freebase rock is extremely addictive, and its effects are felt within 10 seconds. The physical effects include dilated pupils, increased pulse rate, elevated blood pressure, insomnia, loss of appetite, tactile hallucinations, paranoia, and seizures. The use of cocaine can cause death by disrupting the brain’s control of the heart and respiration.

C. Other Stimulants
1. Includes amphetamines and methamphetamine (speed); phenmetrazine (Preluding); methylphenidate (Ritalin); and “anorectic” (appetite suppressant) drugs such as Didrex, PreSate, etc.
2. Stimulants can cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite. In addition, users may experience sweating, headache, blurred vision, dizziness, sleeplessness, and anxiety. Extremely high doses can cause a rapid or irregular heartbeat, tremors, loss of coordination, and even physical collapse. An amphetamine injection creates a sudden increase in blood pressure that can result in stroke, very high fever, or heart failure.

In addition to the physical effects, users report feeling restless, anxious, and moody. Higher doses intensify the effects. Persons who use large amounts of amphetamines over a long period of time can develop an amphetamine psychosis that includes hallucinations, delusions, and paranoia. These symptoms usually disappear when drug use ceases.

D. Depressants
1. Includes such drugs as barbiturates, methaqualone (Quaaludes), and tranquilizers such as valium, librium, equanil, miltown, etc.
2. The effects of depressants are in many ways similar to the effects of alcohol. Small amounts can produce calmness and relaxed muscles, but somewhat larger doses can cause slurred speech, staggering gait, and altered perception. Very large doses can cause respiratory depression, coma, and death. The combination of depressants and alcohol can multiply the effects of the drugs, thereby multiplying the risks.

The use of depressants can cause both physical and psychological dependence. Regular use over time may result in a tolerance to the drug, leading the user to increase the quantity consumed. When regular users suddenly stop taking large doses, they may develop withdrawal symptoms ranging from restlessness, insomnia, and anxiety to convulsions and death. Babies born to mothers who abuse depressants during pregnancy may be physical dependent on the drugs and show withdrawal symptoms shortly after they are born. Birth defects and behavioral problems also may result.

E. Narcotics
1. Includes such substances as heroin, morphine, opium, and codeine as well as methadone, meperidine (Demerol), hydromorphone (Dilaudin), and such drugs as Percocet, Percodan, Darvon, Talwin, etc.
2. Narcotics initially produce a feeling of euphoria that often is followed by drowsiness, nausea, and vomiting. Users also may experience constricted pupils, water eyes, and itching. An overdose may produce slow and shallow breathing, clammy skin, convulsions, coma, and possibly death.

Tolerance to narcotics develops rapidly and dependence is likely. The use of contaminated syringes may result in disease such as AIDS, endocarditis, and hepatitis. Addiction in pregnant women can lead to premature, stillborn, or addicted infants who experience severe withdrawal symptoms.

F. Hallucinogens
1. Includes phencyclidine (PCP), lysergic acid diethylamide (LSD), mescaline, peyote, and psilocybin.
2. Phencyclidine (PCP) interrupts the functions of the neocortex, the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, violent PCP episodes may result in self-inflicted injuries.

The effects of PCP vary, but users frequently report a sense of distance and estrangement. Time and body movement are slowed down. Muscular coordination worsens and senses are dulled. Speech is blocked and incoherent.

Chronic users of PCP report persistent memory problems and speech difficulties. Some of these effects may last six months to a year following prolonged daily use. Mood disorders—depression, anxiety, and violent behavior—also occur. In later stages of chronic use, users often exhibit paranoid and violent behavior and experience hallucinations. Large doses may produce convulsions and coma, heart and lung failure, or ruptured blood vessels in the brain.

Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. The physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness, and tremors.

Sensations and feelings may change rapidly. It is common to have a bad psychological reaction to LSD, mescaline, or psilocybin. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed effects, or flashbacks, can occur even after use has ceased.
G. Inhalants
1. Includes such substances as nitrous oxide (laughing gas), amyl nitrite, butyl nitrite, chlorohydrocarbons (used in aerosol sprays), and hydrocarbons (found in gasoline, glue, and paint thinner).

2. Immediate negative effects of inhalants include nausea, sneezing, coughing, nosebleeds, fatigue, lack of coordination, and loss of appetite. Solvents and aerosol sprays also decrease the heart and respiratory rates, and impair judgment. Amyl and butyl nitrite cause rapid pulse, headaches, and involuntary passing of urine and feces. Long-term use may result in hepatitis or brain hemorrhage.

Deeply inhaling the vapors, or using large amounts over a short period of time, may result in disorientation, violent behavior, unconsciousness, or death. High concentrations of inhalants can cause suffocation by displacing the oxygen in the lungs or by depressing the central nervous system to the point that breathing stops. Long-term use can cause weight loss, fatigue, electrolyte imbalance, and muscle fatigue. Repeated sniffing of concentrated vapors over time can permanently damage the nervous system.

H. Designer Drugs
1. Designer drugs include analogs of fentanyl and analogs of meperidine (synthetic heroin), analogs of amphetamines and methamphetamine (such as “Ectasy”), and analogs of phencyclidine.

2. Illegal drugs are defined in terms of their chemical formulas. Underground chemists modify the molecular structure of certain illegal drugs to produce analogs known as designer drugs. These drugs can be several hundred times stronger than the drugs they are designed to imitate.

The narcotic analogs can cause symptoms such as those seek in Parkinson’s disease - uncontrollable tremors, drooling, impaired speech, paralysis, and irreversible brain damage. Analogs of amphetamines and methamphetamine cause nausea, blurred vision, chills or sweating, and faintness. Psychological effects include anxiety, depression, and paranoia. As little as one dose can cause brain damage. The analogs of phencyclidine cause illusions, hallucinations, and impaired perception.

I. Alcohol
1. Ethyl alcohol, a natural substance formed by the fermentation that occurs when sugar reacts with yeast, is the major active ingredient in wine, beer, and distilled spirits.

2. Ethyl alcohol can produce feelings of well-being, sedation, intoxication, unconsciousness, or death, depending on how much is consumed and how fast it is consumed.

Alcohol is a “psychoactive” or mind-altering drug as are narcotics and tranquilizers. It can alter moods, cause changes in the body, and become habit-forming. Alcohol depresses the central nervous system and too much can cause slowed reactions, slurred speech, and unconsciousness.

Chronic use of alcohol has been associated with such diseases as alcoholism, and cancers of the liver, stomach, colon, larynx, esophagus, and breast. Alcohol abuse can also lead to damage to the brain, pancreas and kidneys; high blood pressure, heart attacks, and strokes; hepatitis and cirrhosis of the liver; stomach and duodenal ulcers; colitis; impotence and infertility; and premature aging. Abuse of alcohol has been linked to birth defects and Fetal Alcohol Syndrome.

The student must apply for aid each academic year. The recommended process is to apply online using a US Department of Education PIN as a signature. These steps will ensure timely processing:

Apply for a U.S. Department of Education PIN Number
Apply for a PIN number at www.pin.ed.gov. This is your electronic signature for the FAFSA, renewal FAFSA, Master Promissory Note, etc. The PIN is also your access to your online financial aid history and your access to correct your FAFSA online. You may choose to create your own PIN or allow the PIN site to create a PIN for you. PINs are available for use upon activation.

Apply for Federal Aid
Apply for Federal Aid at www.fafsa.gov. This application is required to determine a student’s eligibility for federal grant and loan programs. The results of this application are mailed to the student and electronically transmitted to each institution listed on the student’s application.

Apply for a Direct Student Loan
Students requesting loan funding must also meet the one time requirements of Entrance Counseling and Complete a Master Promissory Note online. Students must link to the online sites to meet these requirements. The Master Promissory note requires a PIN number to complete. The Financial Aid Office will receive electronic confirmation of completion of these requirements.

SATISFACTORY ACADEMIC PROGRESS STANDARDS
All undergraduate students must comply with the Federal Requirements for Satisfactory Academic Progress as outlined below:

• The student must maintain a 2.0 GPA at Athens State University (ASU) and Overall.
• The student must successfully complete 67% of all ASU coursework attempted. All W’s, I’s, F’s and audited coursework count as unsuccessful completions. When unsuccessful completions exceed 33% of all coursework attempted, financial aid will be suspended.
• The student must complete first bachelor’s degree requirements within 150% of the usual time frame for degree completion. ASU requires up to 128 semester hours to earn a first undergraduate degree. Therefore, financial aid will be available for no more than 192 semester hours of credit.
• Students seeking an additional degree must complete the requirements within 130% of the time frame for the degree. An advisor’s plan of study is required to be on file in Financial Aid for all students pursuing an additional degree. The student must follow this plan. Therefore, if the plan of study calls for an additional 66 hours of study, financial aid will be available for no more than 86 semester hours of credit beyond the first degree. The additional undergraduate degree must be one in which ASU will award an additional degree. This may not be an additional major or minor, but must be for a new degree program. For example, if the student has a B.S. degree, the additional degree must be
for a B.A. or B.S.Ed. to be eligible for additional financial aid. The student must maintain a 2.0 on all coursework beyond the most recent bachelor’s degree.

- Students seeking a state required teaching certification or certificate program must complete the requirements within 130% of the time frame for the certification. An advisor’s plan of study is required to be on file in Financial Aid for all students pursuing course work toward a certification. The student must follow this plan. Therefore, if the plan of study calls for an additional 24 hours of study, financial aid will be available for no more than 31 hours of credit. The student must maintain a 2.0 on all coursework beyond the most recent bachelor’s degree.

All accepted transfer work will be counted in this calculation. Noncredit remedial courses are not included in the calculation. Repeated courses and courses for which the student has been granted academic bankruptcy are included in the calculation of both attempted and earned hours. Students changing majors will not have additional time allowed for goal accomplishment. Students are considered to be on probation the first term of enrollment. Compliance is checked at the end of each term. Students not in compliance are suspended. Students are notified via the student email account of suspension and steps for appeal and/or reinstatement of aid.

**Student Appeals/Reinstatement Process:**

Students failing to meet satisfactory academic progress standards may benefit from a one-time appeal process. The student may appeal financial aid suspension by writing a letter of appeal to the Office of Student Financial Services. The appeal must state the reasons the student did not achieve the requirements AND what has changed that will allow the student to meet the requirements at the end of the next aid term. In addition, the student must submit a plan of study (an outline of remaining courses necessary to complete the degree), from the student’s faculty advisor. An answer to this appeal will be provided in writing to the student within one week under normal circumstances.

An approved appeal has two possible outcomes:

A first time suspension student may be granted a WARNING status for one term if it is possible the student may achieve good standing within one additional term of enrollment. If it is not possible for a student to regain satisfactory academic standards with one additional term of enrollment, the student may be granted a one term WARNING status to enable the student to apply for a PROBATIONARY STATUS. WARNING status is at the discretion of the Office of Student Financial Services.

A suspension student that cannot meet the terms of satisfactory academic progress with one additional term of enrollment may be placed in a PROBATIONARY STATUS. PROBATIONARY STATUS will include a student specific set of criteria which must be met each term to continue aid funding until the standards are met or graduation. PROBATIONARY STATUS is at the discretion of the Office of Student Financial Services.

Other than by appeal, Financial Aid is reinstated when the Student Financial Services Office has reviewed documentation of compliance with the Satisfactory Academic Progress Policy. Generally, the student must self pay for courses required to regain compliance with the Satisfactory Academic Progress Policy.

**FINANCIAL AID PROGRAMS**

**Federal Pell Grant Program**
This program is designed to provide financial assistance to persons at the undergraduate level who need funds to attend a post high school educational institution. The actual size of a grant award will depend upon the family’s financial situation, the amount of funds actually available for the program each year and the cost of education. For the Pell Grant program, an undergraduate is one who has not earned a bachelor’s or first professional degree. Pell Grants provide a “foundation” of financial aid to which aid from other Federal and non-Federal sources may be added. All paperwork must be submitted to the Student Financial Services Office during the period of enrollment for payment. The final academic year deadline is the third week of the summer term.

**Federal Supplemental Educational Opportunity Grant**
This program has the single purpose of making a University education available to qualified applicants who demonstrate “exceptional financial need.” In determining the priority order in which students will be awarded SEOG funds in any given year, Federal regulations require the school to give first consideration to those students with exceptional financial need demonstrated by the Pell Grant recipients with the lowest Expected Family Contribution in that year. This program is for students who have not earned a bachelor’s degree or first professional degree.

**Federal TEACH Grant Program**
The TEACH Grant Program provides up to $4,000 a year in grant aid to Athens State University undergraduate students with majors in:
- Bachelor of Science in Education - Collaborative Teacher (K-6)
- Bachelor of Science in Education - Collaborative Teacher (6-12)
Bachelor of Science in Biology/Licensure (6-12)
Bachelor of Science in Chemistry/Licensure (6-12)
Bachelor of Science in General Science/Licensure (6-12)
Bachelor of Science in Mathematics/Licensure (6-12 or;

***Students pursuing an additional bachelor’s degree or a post baccalaureate certification will not be eligible for the TEACH grant program.

Eligible undergraduate students may not receive more than $8,000 in total TEACH Grants at Athens State University. Please select this link: http://studentaid.ed.gov/PORTALSWebApp/students/english/TEACH.jsp to go to the U. S. Department of Education’s website to view Conditions, Student Eligibility Requirements, High-Need Fields, Schools Serving Low-Income Students, and TEACH Grant Agreement to Serve.

**IMPORTANT REMINDER:** If you receive a TEACH Grant but do not complete the required teaching service, as explained above, you will be required to repay the grants as a Federal Direct Unsubsidized Stafford Loan, with interest charged from the date of each TEACH Grant disbursement.

**Federal Work-Study Program**
This program is designed to help students pay for part or all of their educational expenses by working part-time on campus, in coordination with their class schedules. This program is available on the basis of need as defined by the student’s Pell Grant information. All requirements and conditions for employment under the University Work-Study Program are available in the Student Financial Services Office.

**Federal Direct Loan Program**
- **Federal Direct Subsidized Loans**—provides students the opportunity to borrow funds for education costs at low interest rates. For students with a defined need, the federal government subsidizes the interest during the certain specified periods.
- **Federal Direct Unsubsidized Loans**—for students with no defined need the federal government provides loan funds with low interest rates, but does not subsidize the interest. Interest accrues to the student while enrolled in school.
- **Federal Direct PLUS Loans**—provides parents the opportunity to borrow funds for their dependent undergraduate student enrolled at least half time in an eligible program at an eligible school. PLUS loans require an acceptable credit history. Parents may borrow up to the cost of education less other financial aid offered to the student. Repayment for PLUS loans begins 60 days after the last disbursement.

Athens State University does not certify loans to or for students on academic probation or for students failing to meet satisfactory academic progress standards as outlined on the preceding section.

**STATE PROGRAMS**
- **Alabama Assistance Grant Program**
  This program is a State/Federal Aid Program designed to provide assistance to residents of the State of Alabama. The program is need based and offers awards based on the Pell need analysis to students with demonstrated “exceptional need.”
- **TRA -- Trade Readjustment Allowance**
  This program is a State Aid program designed to assist individuals who became unemployed as a result of increased imports to return to suitable employment. Students must be referred by a state employment office.
- **WIA — Alabama Workforce Investment Act**
  This program is a State/Federal Aid program designed to prepare youth and unskilled adults for entry into the labor market and to provide dislocated workers with retraining opportunities that will facilitate their re-entry into the labor market. Students must be referred by a state employment office.

**ELIGIBILITY REQUIREMENTS FOR FEDERAL AID PROGRAMS**
1. U. S. citizen or eligible non-citizen
2. Registered with Selective Service (if required)
3. Working toward a degree or certificate
4. Making satisfactory academic progress
5. Not owe a refund on a federal grant or be in default of a federal educational loan
6. Demonstrate financial need via the application process
7. Not receiving aid at more than one school during the same enrollment period

**STUDENT RESPONSIBILITIES**
It is the responsibility of the student to:
1. review and consider all information about a school’s program BEFORE enrolling.

9. notify the university of any change in name, address, or attendance status. If a student has a loan, the student must also notify the lender of any changes.
10. satisfactorily perform the work agreed upon, if employed for a federal work-study job.
11. understand the university’s refund policy as outlined in this publication.

STUDENT RIGHTS
The student has the right to ask a university:
1. for the names of the university’s accrediting and licensing organizations.
2. for a copy of the documents describing the institution’s accreditation or licensing.
3. about its programs, its instructional, laboratory, and other physical facilities, and its faculty.
4. what the cost of attending is, and what its policy is on refunds to students who drop out.
5. what financial assistance is available, including information on all federal, state, local, private and institutional financial aid programs.
6. who its financial aid personnel are, where they’re located, and how to contact them for information.
7. what the procedures and deadlines are for submitting applications for each available financial aid program.
8. how it selects financial aid recipients.
9. how it determines financial need, including cost of education and resources available.
10. how much of one’s need, as determined by the university, has been met.

14. if offered a federal work-study job—what kind of job it is, what hours are to be worked, what the duties will be, what the rate of pay will be, and how and when wages will be paid.
15. to reconsider an aid package, if the student believes a mistake has been made, or if enrollment or financial circumstances have changed.
16. how the university determines whether a student is making satisfactory progress, and outcomes of unsatisfactory progress.
17. what special facilities and services are available to persons with disabilities.

TRANSFER CENTER

The Transfer Center serves as a centralized service office providing credit transfer advise to incoming students. The Center has vested authority to determine the acceptability of any given course to satisfy a general education requirement and clear students for graduation in the area. Given the unique nature of Athens State University as the baccalaureate degree granting institution of the Alabama Community College System, offering coursework exclusively at the junior and senior level, the Center is instrumental in providing consistency to the transfer eligibility of general education courses. In coordination with the Admissions and Records Office, Transfer Center counselors assist students with transfer credit, complete unofficial plans of study, and assign faculty advisors in the student’s chosen major area. In supporting the University mission, the Transfer Center is committed to the achievement of the following goals:

1. fulfill the intent of the statewide articulation agreement;
2. provide timely and accurate information to incoming students regarding the transferability of credits; and
3. ensure student satisfaction with the services provided.

All students transferring to ASU should contact a Transfer Center Counselor upon completion of an application for admission. Transfer Center Counselors can work with students who provide an unofficial student copy of transcript(s), however, the Office of Admissions must have an official transcript(s) from all colleges attended mailed to them before the students first semester at ASU.

The Transfer Center is located in the Sandridge Student Center. Regular office hours are 8:00 a.m. to 4:30 p.m. Walk-ins are welcome, however, appointments are recommended.

The Transfer Center can work with students by appointment, phone, fax, email or regular mail. Contact any Transfer Center Counselor for assistance; however, each Counselor specializes in the general education requirements for their specific area. Students who have decided on a major should contact the designated Counselor:

- **College of Arts and Sciences**: Barry DeVine, 256-233-8277.
- **College of Business**: Vicki Johnson, 256-233-8276.
- **College of Education**: Wanda G. Pryor, (located in the College of Education, Certification) 256-216-6603.

Secretary Transfer Center/Veterans Affairs: Jean Martin, 256-233-8271.

Director, Transfer Center/Veterans Affairs: Lisa C. Payne, 256-233-8274.

- The fax number for the Transfer Center is 256-233-8279.

VETERANS’ AFFAIRS

The Veterans’ Educational Assistance Program at Athens State University is based on the rules, regulations, policies and procedures of the Veterans’ Administration and as such is subject to change without notice.

**VETERANS EDUCATIONAL ASSISTANCE PROGRAMS:**

- **Montgomery G.I. Bill - Active Duty Educational Assistance Program** *(Chapter 30 of Title 38, U. S. Code).*
- **Montgomery G.I. Bill - Selective Reserve Educational Assistant Program** *(Chapter 1606, formerly Chapter 106, of Title 10, U.S. Code).*
- **Post 9/11 GI Bill - Chapter 33**
- **Vocational Rehabilitation - Chapter 31**
  This program provides educational assistance to disabled veterans who are in need of vocational rehabilitation. To be eligible a veteran must have a service-connected disability entitling him/her to these benefits. An award authorization must be received by the Office of Veterans’ Affairs before benefits can be used.
- **Survivors’ and Dependents’ Educational Assistance Program** *(Chapter 35 of Title 38, U. S. Code).*
  Paperwork for state benefits (tuition, fees, books) should be processed through the Business Office. Federal benefits (monthly checks) should be processed through the Office of Veterans’ Affairs.
- **Reserve Educational Assistance Program (REAP) - (Chapter 1607).*
- **Fry Scholarship - a provision of the Post 9/11 GI Bill.**

**SELECTION OF PROGRAM**

In consultation with a Transfer Center counselor or an academic advisor, each veteran student must select and plan a program
in accordance with the Athens State University catalog. Assistance in determining a course of study or a change of program will be furnished by the Veterans’ Affairs Office with concurrence of an academic advisor.

COURSE LOAD
A full-time course load for a student receiving veterans’ benefits is twelve semester hours or more for fall and spring semesters; a three-quarter time load is nine semester hours, a one-half time load is six semester hours. Summer term (based on ten weeks) for a full time student is 7 semester hours or more and three-quarter time load is six semester hours. Less than six semester hours is considered less than one-half time. Current VA regulations apply for all short term courses which do not satisfy the minimum amount of contact hours per week, regardless of the amount of credit hours earned for such courses. For complete information regarding “short term courses” contact the Office of Veterans’ Affairs.

REPEATED COURSES FOR VETERANS RECEIVING EDUCATIONAL BENEFITS
If a veteran fails a required course, he/she may repeat that course with pay. However, he/she cannot repeat a course just to improve a grade and receive payment through the Veterans Administration. (See also Repeated Courses).

STANDARDS OF PROGRESS
The following standards must be met in order for veterans or other eligible persons to receive VA benefits:
1. Grading system as required by the academic standards of the university.
2. Satisfactory grade level as required by the academic standards of the university.
3. Probation and probationary periods as required by the academic standards of the university.
4. Conditions for dismissal, suspension, and readmission as required by the academic standards of the university.
5. Satisfactory student conduct as required by the rules and regulations of the university.

WITHDRAWAL POLICY
Students who receive veterans’ benefits must notify the Office of Veterans’ Affairs when dropping or adding a course or when withdrawing. Each withdrawal or drop resulting in a reduction in the course load must show the effective date of the change and the reason for the change. The withdrawal policies of the university also apply.

VETERAN PAYMENTS AND RESPONSIBILITIES
Receipt of Checks
A student who completes an Application for Education Benefits or Change of Place of Training Form at the beginning of the semester should expect a VA processing period of about six weeks. If the estimated time has elapsed, the student should contact the Office of Veterans’ Affairs immediately and, if the case warrants, an inquiry will be made to the Regional Office.

Payment
Athens State University does not participate in the advance payment plan for veterans, therefore, tuition and fees must be paid in full by the published payment date. Veterans receiving Vocational Rehabilitation are eligible to register without payment of tuition and fees providing that an award authorization from the VA Vocational Rehabilitation office has been received prior to the registration period. Post 9/11 veterans must provide a letter from the Department of Veterans Affairs showing the percentage that he or she is eligible for. This percentage will determine if the veteran will need to pay any tuition and/or fees.

Overpayments
Each veteran drawing benefits should be aware that it is his or her responsibility to comply strictly with the policies and procedures which govern the receipt of educational benefits. Any overpayment created through non-compliance with veterans’ policies is subject to repayment, and such overpayment can cause a delay in the payment of further benefits.

Responsibilities
It is the responsibility of the veteran and dependents receiving VA benefits to notify the Office of Veterans’ Affairs by email of the following:
• Periods of enrollment (class schedule each semester)
• Major change
• Catalog changes
• Prospective graduation date
• Changes (Drop and/or adds, credit level)
• Course substitution (approval must be obtained prior to enrolling in course)
• Address change

REFUNDPOLICY

The current Refund Policy is as follows. The current semester schedule should be consulted for any changes.

The Refund Policy 803.02 stated below became effective June 1, 2009. This policy was revised by the Alabama State Board of Education which defines refund rules relating to student drops and withdrawals effective for Fall Semester 2009. As part of this revision, the following wording was adopted to address multiple parts of term. The policy states: “The ‘first day of class’ is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms, and weekend terms.” It is not an institutional policy but is mandated by the Alabama Department of Postsecondary Education for all colleges and universities under its control. Athens State University is under the control of Alabama Department of Postsecondary Education and must comply with this policy.

1.1 Refund for Complete Withdrawal

A student who officially or unofficially withdraws from all classes before the first day of the semester will be refunded the total tuition and other institutional charges.
A student who officially or unofficially withdraws completely on or after the first official day of the semester but prior to the end of the third week of class for all regular full time classes will be refunded according to the withdrawal date as follows:

**Prior to the first day of the semester:**
100% refund for any and all classes dropped

**Drop/Add period**

**1st Week of Semester:**
- Partial withdrawal: 100% refund, less 5% administration fee.
- Complete withdrawal: 75% refund, less 5% administration fee.

**2nd Week of Semester:**
- Partial withdrawal: NO REFUNDS DUE.
- Complete withdrawal: 50% refund, less 5% administration fee.

**3rd Week of Semester:**
- Partial withdrawal: NO REFUNDS DUE.
- Complete withdrawal: 25% refund, less 5% administration fee.

**No Refund Due after the end of the 3rd Week of Semester.**

**IMPORTANT:** “The ‘first day of class’ is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms, and weekend terms.”

For calculating refunds during the fall and spring sixteen-week terms, a “week” is defined as seven calendar days. Refunds of tuition for terms shorter than sixteen weeks, such as summer terms, mini-terms, split terms, and weekend terms, will reflect a prorated week based on the number of days in the term.

1.2 **Administrative Fee**
An administrative fee not to exceed 5% of tuition and other institutional charges or $100, whichever is smaller, shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class.

1.3 **Late Registration Fee**
Students who register after classes begin will be charged a $25.00 Late Registration Fee.

2.1 **Refund for Partial Withdrawal**
Students who do not completely withdraw from the University but drop a class during the regular drop/add period will be refunded the difference in tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. **There is no refund due to a student who partially withdraws after the official drop/add period.**

3.1 **Refund in Compliance With Federal Regulations**
All colleges shall comply with federal regulations relative to refund of tuition and other institutional charges for Title IV recipients (Other institutional charges (PELL, SEOG, loans)).

4.1 **Refund for Alabama National Guard and Reservists Called to Active Duty**
Students who are active members of the Alabama National Guard or reservists or who are active duty military who are called to active duty in the time of national crisis shall receive a full tuition refund at the time of withdrawal, if such student is unable to complete the term due to active duty orders or assignment to another location.

**REFUND POLICY FOR STUDENTS RECEIVING FEDERAL TITLE IV AID**

(First aid)

Title IV funds are awarded to students under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student fails to complete the term, the student may no longer be eligible for the full amount of Title IV funds he or she was scheduled to receive.

The Title IV Programs included in this policy are Pell Grant, Federal Supplemental Education Opportunity Grant, Smart Grant, TEACH Grant or Federal Direct Loans. Federal Work-Study funds are not included in this policy. The federal refund regulations require Athens State University to determine the amount of aid “earned” by each Financial Aid Student receiving title IV aid and withdrawing from all of his or her classes prior to the 60% point in the term. Students completing 60% of the term are considered to have “earned” 100% of the Title IV funds he or she was scheduled to receive during the period.

Any student earning a passing grade in at least one course for the term are not subject to the Return to Title IV Funds Policy. Students are encouraged to check with the Office of Student Financial Services prior to withdrawing or dropping out of the term.
Calculations are performed based on the student’s official withdrawal date or for unofficial withdrawals, the last date of an academically related activity that the student participated in, the mid point of the term, or the date the school determines the student ceased attendance due to illness, accident, grievous personal loss or other circumstances beyond the student’s control. Unofficial withdrawals dates are determined by the faculty, identifying the last date of activity for courses where a student earned an ‘F’, ‘I’, or ‘W’.

The withdrawal date must be determined within 30 days of the end of the term, academic year or student’s program, whichever is earlier.

The institution must return the amount of Title IV funds for which it is responsible no later than 45 days after the date of the determination of the date of the student’s withdrawal. Athens State University offers all degree programs in a credit hour, term based format. As a credit hour, term based degree program, the following formula is used to compute aid to be returned:

\[
\text{Aid Earned} = \frac{\text{Days Enrolled/ Days in Term}}{\text{Title IV Aid Awarded and Disbursed}} 
\]

\[
\text{Aid to be Returned} = \text{Aid Disbursed} - \text{Aid Earned}
\]

(Any break of five days or more is not counted as part of the days in the term.)

Order of Funds to Return

- Federal Direct Unsubsidized Loans
- Federal Direct Subsidized Loans
- Federal PLUS Loans
- Federal Pell Grant
- National SMART Grant
- Federal TEACH Grant
- Federal Supplemental Education Opportunity Grant

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV funds are returned, the student borrower will owe a debit balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution will owe the student a post-withdrawal disbursement, to be paid within 120 days of the student’s withdrawal.

This policy does not limit the Refund Policy mandated by the Alabama Department of Postsecondary Education.

RETURNED CHECKS/RETURNED ACH PAYMENTS

If your check is not paid on presentment or is dishonored, you agree to pay a bad check fee of $30.00, or any higher amount allowed by law. We may electronically debit or draft your account for this charge. Also, if your check is returned for insufficient or uncollected funds, your check may be electronically re-presented for payment. Returned checks cannot be redeposited by the Office of Financial Affairs. After the second returned check, the Office of Financial Affairs WILL NOT accept a personal check for tuition payment. Payment must be made with cash, money order, credit card, or cashier’s check.

GRADES/TRANSCRIPTS WITHHELD

A student failing to meet his or her financial obligations to the University may have his or her semester grade report, transcript and all other academic transactions withheld until such obligations are cleared through the Business Office. Such obligations include unpaid fees, overdue library books, damaged or unreturned University equipment, unpaid student loans, and parking fees. A student may be withdrawn from classes and not permitted to register until financial obligations have been cleared.

The Student Financial Services Office of Athens State University is located in the Classroom Building, first floor, east entrance. Phone: 1-800-522-0272, ext. 170, or 233-8170, or 233-8122. FAX: 233-8178.

ACADEMIC POLICIES AND PROCEDURES

DEGREE OPTIONS
Athens State University offers three baccalaureate degree options: the Bachelor of Arts degree, the Bachelor of Science degree and the Bachelor of Science in Education degree. Students should refer to their major section of the catalog for degrees conferred and specific course requirements.

GENERAL EDUCATION (GEN. EDS) REQUIREMENTS (Curriculum Core Areas I-IV):
See the sections for the College of Arts and Sciences, the College of Business, and College of Education, for Gen. Ed. Requirements (Curriculum Core Areas I-IV).

GENERAL UNIVERSITY REQUIREMENTS
A student expecting to receive a degree from Athens State University must start the graduation process at the beginning of the expected semester of graduation. Deadline dates are published in the schedule. A student must satisfactorily meet all University requirements and financial obligations before the degree is awarded.

Each student must meet all Athens State University financial obligations before the degree is awarded:

1. Thirty-three of the last thirty-nine semester hours of study or twenty-five percent of the degree requirements with Athens State University.
2. Complete a minimum of sixty semester hours at upper level college/university credit (300-400 level courses).
3. Complete a minimum of fifteen semester hours of upper (300/400) level coursework in his or her major at Athens State University, not including courses taken by consortium arrangement. School or departmental regulations may require more than fifteen semester hours of coursework in the major at Athens State University.
4. Complete all course requirements for major(s).
5. Complete all course requirements for minor (if applicable).
6. Complete all of the general education requirements for the degree.
7. Attain an overall grade point average of 2.0, a 2.0 on all coursework attempted at Athens State University and at least a 2.0 in the major field. School or departmental regulations may require more than a 2.0 grade point average (see major requirements in each discipline).
8. Complete the total degree requirements at a minimum of 124 semester hours.
9. Complete the teacher certification requirements (if applicable).
10. Apply no more than sixty-four semester hours of non-traditional/non-graded college credit applicable toward the degree.

Each student must assume responsibility for knowing the academic requirements for the degree that is being pursued.
ACADEMIC ADVISING
Upon admission to Athens State University, each student is assigned an advisor. The student should confer with his or her advisor at least once each semester. Although the student bears final individual responsibility for meeting all degree requirements, the advisor will assist in planning the student’s academic program. A change of major, or adjustments to the program of study require completion of a Petition for Adjustment of Curriculum.

ACADEMIC CREDIT
The Athens State University calendar consists of semester-length terms; the unit of credit is the semester hour. Course descriptions indicate the number of semester hours which may be earned for a particular course. Transfer credits earned in quarter hours will be evaluated on the basis that one quarter hour equals two-thirds semester hours. (Example: a five quarter hour course would equal 3.3 semester hours.)

Correspondence Credit
Any extension or correspondence credit must be from a regionally accredited college or university, and may not exceed twelve semester hours. The student must petition through his or her advisor and in turn obtain permission from the Vice President of Academic Affairs for credit through extension or correspondence courses.

Continuing Education Units
Athens State University does not accept continuing education units (CEU’s) for academic credit.

ACADEMIC HONESTY
Athens State University, like all communities, can function effectively only when its members treat one another with honesty, fairness, respect, and trust.

ACADEMIC DISHONESTY
It is the responsibility of every student at Athens State University to be familiar with the honor code. It shall be the responsibility of every student at Athens State University to obey and to support the enforcement of this honor code which prohibits lying, cheating, or stealing when these actions involve academic procedures, or when these actions involve any student or University personnel acting in an official capacity.

A. Academic Dishonesty
Academic dishonesty includes but is not limited to the following:

1. Plagiarism-Plagiarism consists in taking the words or specific substance of another and either copying or paraphrasing the work without giving credit to the source. Examples of plagiarism include:
   a. Submitting a term paper, examination, or other work created by someone else.
   b. Failure to give credit in a footnote for ideas, statements of facts, or conclusions derived by another.
   c. Failure to use quotation marks when quoting directly from another, whether it be a paragraph, a sentence, or even a part thereof.
   d. Close and extended paraphrasing of another.

2. Cheating-Cheating consists in the use of unauthorized notes, study aids, or information from another student or student’s paper in an in-class examination; altering a graded work after it has been returned then submitting the work for regrading; and allowing another person to do one’s work and to submit the work under one’s name. This definition includes copying computer files or listings from another student. During examinations, cheating includes referring to information not specifically condoned by the instructor.

3. Fabrication-Fabrication consists in presenting data in a piece of work and failing to include a substantially accurate account of the method by which the data were generated or collected. Data gathered in accordance with guidelines defining the appropriate methods for collecting or generating data should be documented by a reference to the guidelines used. Fabrication specifically includes submission of data purporting to be the results of an experiment not actually performed by the student.

4. Aiding and Abetting Dishonesty-Aiding and abetting dishonesty includes the providing of material or information to another person with knowledge that these materials or information will be used improperly. This includes taking an examination or doing any work and submitting it under another student’s name.

5. Collusion-Collusion consists in the unauthorized collaboration of students, one with another, in preparing work to be submitted.

6. Unauthorized Possession or Disposition of Academic Materials-Unauthorized possession or disposition of academic materials includes the selling or purchasing of examinations or other academic work, taking another student’s academic work without permission, possessing examinations or other assignments not formally released by an instructor, and submitting the same paper for two or more different classes without the specific authorization of all instructors involved.
B. **Corollary Actions**

1. Any instructor may further define in writing any specific acts which in the context of the class would constitute academic dishonesty. The instructor shall provide a copy of these definitions to the head of the academic division in which the course is taught.
2. Any instructor may require students to sign a pledge at the conclusion of an examination stating that they have neither given nor received aid from any unauthorized source during the examination.
3. Any instructor or proctor shall have the right to examine all materials in the student’s possession during quizzes, examinations, and/or laboratory sessions.

C. **Procedural Steps**

1. When an instructor sees cause to charge a student with academic dishonesty, the instructor will first discuss the matter with the student. The instructor will explain both the specific charge and the proposed penalty including any grade adjustment.

2. To facilitate consistency throughout the University in the application of sanctions for academic dishonesty, all instructors shall notify, in writing, the dean of the appropriate academic college and the chief academic officer for the University, of any academic penalty which has been imposed on a student for reasons of academic dishonesty. This notification shall occur within five (5) instructional days from the date of the alleged academic dishonesty.

3. Within 20 instructional days of the allegation of alleged dishonesty, the student may appeal the instructor’s decision to the dean of the appropriate academic college. The dean of the appropriate academic college will confer with the student and the instructor in an attempt to reach an acceptable agreement. At that time, the dean of the appropriate academic college will present the student with a written statement of the charges and the proposed penalty. This notice will also inform the student of the right to appeal to the chief academic officer and the steps involved in that process if an agreement is not reached. A copy of this notice, along with supporting documentation, will be sent to the chief academic officer who will maintain records of all proceedings. If the dean of the appropriate academic college is the instructor who charges the student with academic dishonesty, then the dean of the appropriate academic college must appoint another faculty member from the college who will assume the duties of the dean of the appropriate college for the purposes of any action regarding this specific case.

4. If the charge is not resolved at the college level, the student may request an appeal at the University level within ten instructional days. Upon receipt of a written request from the student, the chief academic officer will appoint and convene a University-wide committee on academic honesty. This committee will consist of a minimum of two students, except those students involved in the case, and faculty from all colleges in the University, except those faculty directly involved in the case.

5. It is the responsibility of the committee to insure that the student’s basic rights of due process are upheld. The accused student has the basic rights of:

   a. proper written notification of the accusation including a complete explanation of the proposed penalties and the effect of such penalties on the student’s academic life.
   b. proper written notification of the time and place of any hearings held by the committee regarding the case.
   c. fair hearings in the committee with the opportunity to meet the accuser and to hear all the materials being offered in evidence.
   d. the opportunity to present evidence or witnesses.
   e. the opportunity to appoint a faculty member, not serving on the committee, to be present during all committee meetings and to offer advice and counsel. This opportunity in no way precludes the student’s right to retain other counsel.
   f. a full explanation of all policies relating to the proceedings being brought against the student.

After the committee has reviewed the case, the Chair of the Committee shall provide a written advisory report to the chief academic officer. The chief academic officer will then render a decision and notify the student as to whether or not the penalty proposed by the college will be upheld. The decision is nonappealable and final. Grades resulting from academic dishonesty may not be appealed through “Review of final grade process.”

D. **Academic Penalties**

The following is a list of penalties which may be imposed upon any student found guilty of academic dishonesty. Penalties which may be imposed by the instructor or College Dean include.

1. Requirement to submit additional work or take additional exams.
2. A lower or failing grade on the assignment or examination.
3. A lower or failing grade in the course.
4. Removal from class.
E. Possible Additional Penalties

The following is a list of penalties which may be imposed by the chief academic affairs, in addition to those imposed by the instructor or School Dean:

1. Reprimand: a written statement from the University expressing disapproval of conduct. This reprimand will be retained with the student’s permanent record.

2. Disciplinary Probation: probationary status to be noted on the student’s permanent record.

3. Disciplinary Suspension: suspension from the University for a period of one year. This suspension will be noted on the student’s permanent record. After a period of one year the student may be readmitted to the University, but will return under disciplinary probation.

4. Dismissal: a permanent separation from the University. Students receiving this penalty are forever prohibited from readmission to the University. Dismissal will be noted on the student’s permanent record.

ACADEMIC HONORS AND AWARDS

Highest Scholastic and Outstanding Academic Achievements Awards

Graduates with outstanding academic achievements are recognized in the Spring of each year. To be eligible for nomination for special outstanding academic recognition students must have 18 semester hours credit in residence on record at Athens State University. All students in a given academic year are eligible for consideration.

President’s List

The President’s List is published each semester and includes the names of students who have attained a 4.0 grade point average on at least 12 semester hours of course work for that specific term. Transitional (non-collegiate level) courses carrying grades A-F will be calculated in the semester GPA. However, transitional courses will not count toward the minimum course load requirements.

Dean’s List

The Dean’s List is published each semester and includes the names of the students who have attained a 3.5 or above but below 4.0 on at least twelve semester hours of course work for a specific term. Transitional (non-collegiate level) courses carrying grades of A-F will be calculated in the semester GPA. However, transitional courses will not count toward the minimum course load requirements.

Degrees With Honor

The following degrees with honor are based on all academic work at all institutions attended. To be eligible for honors, one-half of the total hours applied toward the degree must be regular academic course credit.

Summa Cum Laude
Awarded to the student who earns a grade point average of 3.9 to 4.0 during his or her academic career.

Magna Cum Laude
Awarded to the student who earns a grade point average of 3.70 to 3.89 during his or her academic career.

Cum Laude
Awarded to the student who earns a grade point average of 3.50 to 3.69 during his or her academic career.

ACADEMIC RECORD

The student’s permanent academic record will consist of an Athens State University transcript, and may include the following: admission application, official transcripts from colleges and universities previously attended, graduation application, degree audit forms, transcript release forms, documentation which may affect the release of student’s records and only disciplinary action that would directly affect the student’s enrollment in the institution. Financial records are not considered part of the student’s permanent academic record.

AUDITED COURSES

Upon recommendation of his or her advisor, a student may audit a non-laboratory course. Students should attend class under the same obligation as the credit student although they are not required to complete scheduled examinations. Standard registration procedures apply. The cost is one-half the regular tuition plus the appropriate fees. No change from audit to credit is allowed. Audited classes are on a space available basis.

CATALOG REQUIREMENT

A student may complete requirements for graduation as specified in the Athens State University catalog for the year of entry provided he or she does so within a period of five years from the original date of entry. One exception to the previous statement is the College of Education. The student considering the B.S.Ed. degree should check the College of Education guidelines due to the “No
“Child Left Behind Federal Act of 2001” which states the programs listed may have changed. A student who does not complete requirements for the undergraduate degree within a period of five years from the date of entry must adhere to the undergraduate requirements of the catalog under which they begin the sixth year of enrollment. This process is repeated every five years until the student graduates.

**CHANGE OF MAJOR FORM**

A Change of Major Form is the form that a student completes if they want to change what degree major or minor they are pursuing which can be downloaded from the Forms link located under the Admissions Link.

**CLASS ATTENDANCE**

It is accepted academic philosophy that sustained class attendance is essential to the overall educational value of a course of study in higher education. In order to achieve maximum benefit from educational activities, Athens State University expects regular class attendance from all students. Those students receiving veterans’ benefits are required to attend classes according to the regulations of the Veterans’ Administration.

The standards of performance to be met by each student, including specific attendance regulations for each course, will be set by each faculty member for his or her own course. Class attendance policies and other course requirements will be published in the course syllabus and will be discussed in detail by the faculty member on the first day of class each semester. It is important that the student secure a copy of each course syllabus from the instructor on the first day of class, or from the school offices prior to the beginning of classes. A student’s performance in relation to the established standards and class attendance regulations shall determine the student’s grade in a course. Any student who must miss an examination has the responsibility for notifying the faculty member as soon as is practical. It is the decision of the faculty member whether exams may be “made-up.”

**CLASS HOUR LOAD**

The class hour load for a full-time student is twelve to nineteen semester hours per term including Summer Term. During semesters in which compressed sessions are offered, the institution reserves the right to further limit the number of hours for which a student may enroll. No student may take more than twenty-four (24) semester hours per term. Students who wish to take more than nineteen (19) semester hours must secure written permission via an Overload Request Form. This overload request must be signed by the advisor and the dean of the appropriate academic college prior to enrollment. Requests for exceptions will require written justification along with the following documentation and recommendation of your advisor:

1. advising worksheet
2. transcript, and
3. proposed schedule.

**COURSE CANCELLATION**

Athens State University reserves the right to cancel any course.

**DIRECTED STUDY/RESEARCH COURSES**

With approval of the appropriate advisor and dean of the appropriate academic college, Athens State University students may complete no more than six semester hours of Directed Study/Research credit during their academic study with the University. Such directed study research must be conducted in the student’s major area of study and the student must complete a directed study form.

**DISTANCE LEARNING**

Athens State University offers a variety of courses in distance learning format through Blackboard. Students may apply for admission, register for classes, obtain financial aid information and attend classes online. The College of Business currently offers all of its majors online and many online courses are also offered through the College of Education and the College of Arts and Sciences. Students should consult an advisor or counselor before registering for an online course to ensure that they meet the specifications indicated by the necessary technology and also the course requirements. Requirements are posted online under Blackboard on the Athens State University website and a tutorial is available for the student to prepare for the course. All courses offered via a distance learning format meet the same requirements and quality standards, as those that are offered in the traditional classroom format. All services of the University are offered to Distance Learning students, as well as to those taking classes on campus, such as library services, bookstore services and available lab services.

**NEW STUDENT ORIENTATION FOR ONLINE COURSES**

Upon registration for their first semester, all students new to Athens State University will be automatically enrolled into a self-paced orientation to familiarize themselves with Blackboard Learn - the university’s primary platform for delivery of all online course content. While completion of this non-credit course is completely voluntary, it is highly recommended to all new students, especially those who may be intimidated by classroom technology or less confident in their computer skills.

For further information regarding distance learning, please consult the “Online Degree Programs” page on the ASU website. Students planning to enroll in distance learning classes should first complete the “Should I Take an Online Course” questionnaire and review the “Helpful Hints” document on the College of Business page of the ASU website.
INFORMATION FOR NEW STUDENTS REGARDING ONLINE TECHNOLOGY:

Blackboard Learn™ is a course management system used at Athens State University to provide online access to course materials for every course we offer, including traditional, distance, and blended courses. It provides online tools such as class email, chat, discussion boards, quizzes, etc., that instructors can use to facilitate Internet courses or enhance classroom courses. All active students are assigned a Blackboard Learn™ account.

If you plan to take a distance learning class, it is imperative that you become familiar with the Blackboard Learn™ software and understand procedures, computer requirements, and expectations before the start of your class. Please review the technical requirements, configuration settings and links to support resources available on the “Blackboard” page on the ASU website. A self-paced, non-credit orientation to Blackboard Learn™ will be available to all new students during their first semester. In addition, students can visit the Blackboard On Demand Learning Center for Students to watch short videos describing the features of Blackboard Learn™.

To access Blackboard Learn™, either:

a. click on the “Blackboard” icon on the ASU home page, then click on “Login to Blackboard”, or
b. type “https://athens.blackboard.com” into the address bar of your web browser and press the [Enter] key.

Your Blackboard username is your full ASU email address (userid@my.athens.edu) and your password is your PIN from your ASU Online account. To determine your ASU email address, log into your ASU Online account by clicking the “ASU Online” button on the ASU home page and use your Student ID for your username and your PIN for your password. Your email address can be found in the “Personal Information” section.

GRADING

Grading Policy
Letter grades of “A”, “B”, or “C” represent levels of accomplishment sufficient to allow students to make satisfactory progress toward graduation. “D” level work is considered inferior and the minimum-level accomplishment that will allow the students to continue their studies at Athens State University. A grade of “F” is assigned to the student who (1) fails to meet minimum course requirements, or (2) voluntarily discontinues class attendance without officially withdrawing. A grade of “W” will be assigned to a student who officially withdraws before a date that is two (2) weeks prior to the date established for the first final exam for the semester. Specific dates for withdrawal will be included in the schedule each semester. A “W” cannot be assigned after the official date established for withdrawal from a course. Absence from class does not constitute an official withdrawal. Students can initiate the withdrawal process by emailing the Office of Admissions at Drop.Admissions@athens.edu using their Athens State email account, by FAX, by downloading the drop form from the Athens State website, or by coming into the Admissions office. Information in the withdrawal request MUST include: Name; Student ID number; the course reference number, course abbreviation and number; and the instructor’s name. A reason for withdrawal from a course must be included. The instructor MUST be included as a “copy to” on the email. A “W” cannot be changed to a grade, nor can a grade be changed to a “W”. Students who enroll in a course and does not complete the course will receive a grade of “F” unless this withdrawal process is followed. Withdrawal from a class is not complete until the student has been cleared through the Office of Admissions. Special regulations pertain to those receiving veteran’s benefits or financial aid, and those individuals should confer with the Coordinator of Veteran’s Affairs or the Director of Student Financial Services prior to initiating a withdrawal action.

A grade of “I” (incomplete) will be given only under extenuating circumstances. To obtain an incomplete you must complete at least 50% of the work for a given class. If an “incomplete” is given, the time allotted for a student to complete the course is at the discretion of the instructor. However, a student receiving an “I” in any semester should be aware that the “I” must be completed before the end of the next semester. The Incomplete (“I”) automatically becomes an “F” unless extended by the instructor. For purposes of computation an “I” is always evaluated as “F” until a grade change is made.

Quality Points for Letter Grades
For each hour of credit in a subject, the letter grade is equated to grade points as follows:

<table>
<thead>
<tr>
<th>Grade</th>

Grade Review
Athens State University provides a procedure through which students may request a review of the final grade received in coursework taken at Athens State University which is distinct and different from the appeals procedure for academic dishonesty.

42
The first step by the student in the appeals process shall be to contact the faculty member involved and try to resolve the dispute informally. If satisfaction is not achieved at this level, the student may appeal to the dean of the appropriate academic college provided such appeal is filed in writing with the dean of the appropriate academic college within 14 calendar days of the first day of classes of the academic term immediately after the academic term for which the student took the course associated with the grade. This appeal by the student to the dean of the appropriate academic college shall be made in writing and shall state clearly the reason(s) for the appeal of the final grade and the desired remedy. This document shall be provided by the student to the dean of the appropriate academic college and shall constitute the basis and only record for deliberations with the dean of the appropriate academic college. A copy of this document shall be provided by the dean of the appropriate academic college to the faculty member who awarded the grade. This document shall also contribute a part of the record for subsequent appeals by the student to the chief academic officer.

If satisfaction is not achieved at the level of the dean of the appropriate academic college, the student may appeal to the chief academic officer within ten (10) instructional days of receiving the written response from the dean of the appropriate academic college. The chief academic officer shall undertake a review of the student’s written complaint and the written response by the dean of the appropriate academic college. All appeals to the dean of the appropriate academic college or to the chief academic officer shall be answered by the respective dean in writing within 21 instructional days of receipt of the appeal by the student.

The decision to change or let stand a final grade received for a course taken at Athens State University is the exclusive right and prerogative of the faculty member who taught the course. The decision of the faculty member in this matter is absolute and final.

GRADUATION APPLICATION
To apply for graduation students must:
- Initiate the graduation process at the beginning of the semester they expect to graduate.
- Complete the Graduating Senior Exit Survey.
- Apply for graduation by completing the online Graduation Application.

Any student who does not submit the Graduation Application form by the application deadline, will be charged an additional fee in the amount of $25.00 to cover the special order fee. Failure to notify the Records Office of intent to graduate in a timely manner may result in the student being required to wait an additional semester.

GRADUATION COMMENCEMENT
Commencement ceremonies are held at regularly scheduled times as determined by the University.

PETITION FOR ADJUSTMENT OF CURRICULUM FORM
The following adjustments of a student’s curriculum necessitate completion of a Petition for Adjustment of Curriculum Form which is available online:
1. Change of degree OR
2. Substitution for required course OR
3. Waiver of required course

REPEATED COURSES
A student who has made an unsatisfactory grade in a course completed at Athens State University and who wishes to repeat the course to earn a higher grade must repeat the course at Athens State University. A grade earned with Athens State University will be listed on the official transcript, but only the last course attempted will be used in computing the grade point average and will be applied toward the degree. Bachelor of Science in Education students should understand that GPA is calculated using grades from all courses attempted (professional studies and content courses). (For Education guidelines, see the section for Education.) For pertinent regulations for Veterans receiving educational benefits please see Veterans Advisement.

SECOND (DOUBLE) MAJOR
Students who elect to complete two majors at Athens State University must meet the degree requirements for both majors to include General Education and Pre-Professional requirements. If both majors are in different degree programs, the baccalaureate degree of the primary major shall be the only degree awarded. Non-disciplinary majors such as liberal studies are excluded as a second major. Please note that federal regulations state that a student is no longer eligible for grant aid once they meet the requirements for a first bachelor’s degree, even if the student does not receive the degree. Beyond meeting the requirements for a first bachelor’s degree the student may receive aid in the form of student loans if the student is seeking an additional degree (1st degree BA; second degree BS or BSED) or completing courses to meet state requirements for teacher certification (recommended or optional courses for professional recognition or advancement do not qualify) or the student is completing a certification with a minimum of 24 semester hours.
SECOND DEGREE

Students who seek a second degree must meet all admission requirements, complete all catalog requirements for the major in that degree, and must complete a minimum of thirty-three semester hours in residency at Athens State University beyond the conferral date of the first degree. Students may not receive more than one degree in a designated graduation period.

STUDENT CLASSIFICATION

Juniors - Students who have earned a minimum of sixty-four semester hours of credit or who have received an Associate degree from an accredited two-year college.

Seniors - Students who have completed a minimum of ninety-three semester hours of credit.

Non-Degree Seeking - Student not seeking a degree.

TESTING/ASSESSMENT

Students seeking admission to the Teacher Education Program will take the Alabama Prospective Teacher Test (APTT). There are three parts to the APTT, reading, writing, and mathematics. All three parts must be passed in order to apply for admission to TEP. The PRAXIS II Content Area/Subject Area test must be taken and passed prior to admission to internship/student teaching.

In non-teacher education fields, each department (major) will require some form of exit assessment. The requirement may be a capstone experience, exit exam, or other method to assess whether students leaving the program have all the necessary curricular attributes as well as to assess the effectiveness of the curriculum within the major. This is an opportunity for self-reflection and synthesis, allowing the student to demonstrate integration of learning and academic growth. Assessment helps the institution meet student needs and helps ensure that teaching and learning are actually taking place. Assessment is continually under review to determine its value and effectiveness. All assessment methods are subject to change as determined appropriate for the institution. Any student having questions about assessment should contact the Testing Office or the dean of the appropriate academic college.

Athens State University honors credit earned through the College Level Examination Program (CLEP), provided appropriate scores are achieved. Students enrolling or enrolled at Athens State University who are interested in attempting the College Level Examinations should consult the Testing Coordinator.

A student may not receive CLEP credit for any previously attempted University course. Since CLEP is accepted as non-graded credit, it cannot be used in order to raise the grade point average. All CLEP examinations are accepted as freshman-level credit. Although credit may be awarded by the University, applicability toward the degree program is determined by the college concerned.

Credit earned under the Defense Activity for Non-Traditional Education Support (DANTES), and the United States Armed Forces Institute (USAFI) may be granted by Athens State University.

Official transcripts of CLEP and DANTES scores must be mailed directly to the Office of Admissions.

WITHDRAWAL

A grade of “W” will be assigned to a student who officially withdraws before a date that is two (2) weeks prior to the date established for the first final exam for the semester. Specific dates for withdrawal will be included in the schedule each semester. A “W” cannot be assigned after the official date established for withdrawal from a course. Absence from class does not constitute an official withdrawal.

Students can initiate the withdrawal process by emailing the Office of Admissions at Drop.Admissions@athens.edu using their Athens State email account, by FAX, by downloading the drop form from the Athens State website, or by coming into the Admissions Office. Information in the withdrawal request MUST include: Name; Student ID number; the course reference number, course abbreviation and number; and the instructor’s name. A reason for withdrawal from a course must be included. The instructor MUST be included as a “copy to” on the email. Withdrawal from a class is not complete until the student has been cleared through the Office of Admissions. Special regulations pertain to those receiving veteran’s benefits or financial aid, and those individuals should confer with the Coordinator of Veteran’s Affairs or the Director of Student Financial Services prior to initiating a withdrawal action. A “W” cannot be changed to a grade, nor can a grade be changed to a “W.”

A student who enrolls in a course and does not complete the course will receive a grade of “F” unless this withdrawal process is followed.
