A CERTIFICATE PROGRAM is offered in Children’s Advocacy Studies Training (CAST) through the College of Education.
MISSION STATEMENT
The College of Education (COE) has established a conceptual framework for the preparation of teachers based upon a shared view of the role of education in preparing for the future. Our mission is to prepare educators who will continue to learn to be more effective teachers in an ever-changing world. With the understanding that rethinking the education of students is a major undertaking, requiring development of a common vision, and recognizing that programs with a unified mission are more able to transmit that shared vision, especially to pre-service teachers, the faculty has selected the theme Educators for a Global Future. This theme represents viewpoints which are more fully articulated in a shared philosophy, outcomes, and professional dispositions.

The purpose of the program is to prepare teachers who will make thoughtful and effective choices when confronted with instructional decisions in today’s and tomorrow’s classrooms. To support the general purpose, four specific emphases/goals and nine outcomes of the Teacher Education Program (TEP) have been determined. They are as follows:

DISTANCE EDUCATION
The College of Education offers an online degree for the Bachelor of Science in Education - Technical Education: Early Instructor Option program of study. All coursework for this major may be completed via distance learning. For further information regarding distance education, refer to pages 41 and 42 in the section Academic Policies and Procedures under the headings Distance Learning, New Student Orientation for Online Courses and Information for New Students Regarding Online Technology.

EMPHASES/GOALS
Performance-based for ability
Modeling for understanding
Reflective thinking for improvement
Problem-solving for progress

OUTCOMES
Effective communicators
Knowledgeable scholars
Positive supportive professionals
Resourceful curriculum planners
Skilled facilitators of developmental growth
Student-centered reflective instructors
Capable classroom managers
Competent evaluators
Life long learners

TEACHER EDUCATION PROGRAM
The Teacher Education Program at Athens State University promotes professional development of students who seek teaching as a career, students who will become Educators for a Global Future. The program is approved by the Alabama State Department of Education and accredited by the National Council for Accreditation of Teacher Education. Students are advised and assisted in each phase of their preparation program. The College of Education offers an undergraduate degree leading to Class B Certification in Early Childhood Education, Elementary Education, Physical Education, Special Education, Secondary Education, and Technical Education. The College of Education also offers high school certification in the following College of Arts and Sciences degrees: Biology, Chemistry, English/Language Arts, History, Mathematics and Social Science.

The preparation of teachers is built on a liberal arts foundation. Those students preparing for teaching positions in the secondary schools pursue a major through the College of Arts and Sciences. Teaching certification requirements are completed through the College of Education. Students preparing to teach special education/collaborative, early childhood, and elementary education concentrate on subject matter relevant to the major. Those who are preparing to teach physical education pursue a broad program appropriate to both elementary and secondary schools. Students in the technical education program are preparing to teach their specialized skill areas. All groups complete their programs with specific and appropriate professional courses.

All programs are designed to assist students in acquiring knowledge and abilities to become teachers who are effective communicators, knowledgeable scholars, positive and supportive professionals, resourceful curriculum planners, skilled facilitators of developmental growth, student-centered, reflective instructors, capable classroom managers, competent evaluators, advocates of technology, stewards of diversity, and lifelong learners. Faculty model varied methods, strategies and techniques. Students demonstrate attainment of knowledge and skills in campus-based classes and field-based settings. Candidates will develop an electronic professional portfolio that reflects evolving professional growth and the ability to integrate general learning, subject matter, professional and pedagogical
Students transferring from state institutions must meet the general education requirements established for their program of study as listed in the Athens State University catalog. Courses that require admission to the Teacher Education Program (TEP) are not accepted as transfer credit (no exceptions). Our articulation agreement requires us to accept courses taken at the community colleges if they satisfy requirements we specify as necessary to complete a given degree program. Changes to the requirements of the Teacher Education Program may occur at any time due to certification changes made by the State Department of Education. Students are advised to check updated program of study forms for these changes. Due to policies in public schools, every student registered for any course in any Professional Plan of Study that requires a field experience or clinical experience must undergo fingerprint clearance through ABI/FBI for the Department of Education during his or her first semester. This applies to non-degree seeking students, degree-seeking students, and persons seeking classroom recertification or alternative certification.

Background Check through Fingerprinting
Alabama requires all applicants to obtain a state and federal background clearance through a fingerprint review conducted by the Alabama Bureau of Investigation (ABI) and The Federal Bureau of Investigation (FBI). If you have completed both an ABI/FBI background check through the Alabama State Department of Education for the purposes of attaining 1) employment in a public or private school, 2) a professional educator certificate, 3) a substitute teacher license or 4) admission to a teacher education program in the state of Alabama you will not need to be fingerprinted. If you have questions regarding your fingerprint status, please contact the Alabama State Department of Education, Teacher Education and Certification Office for further information at (334) 353-8567.

All Athens State University education majors must be fingerprinted and cleared by ABI/FBI for the Department of Education during their first semester. It is a requirement for completion of ED 301 courses. When the ABI/FBI criminal history background clearance is completed, you will receive a letter of suitability from the Alabama State Department of Education. Please send a copy of your letter of suitability from the state department by email to Sharron.Woods@athens.edu, fax (256-216-6646) or mail (ASU College of Education, Sharron Woods, 300 North Beaty Street, Athens, AL 35611). A copy of an Alabama substitute license is an acceptable suitability clearance. We do not accept DHR letters of suitability.

Step 1: Online Registration
Alabama applicants MUST be registered online prior to arriving at a Cogent fingerprint location. Currently only Alabama State Department of Education (ALSDE) applicants may use AAPS.

Option 1 Online Registration – www.cogentid.com/AL or www.cogentid.com/alabama
- Applicants are responsible for their own registration. Information incorrectly entered during registration and submitted during fingerprinting CANNOT be corrected and is the responsibility of the applicants. Changes to incorrect registration data MAY be corrected online or by telephone prior to fingerprint submission.

Option 2 Telephone Registration – 866-989-9316
- Cogent encourages ALL applicants to register online.
- Applicants are responsible for their own registration. Information incorrectly entered during registration and submitted during fingerprinting CANNOT be corrected and is the responsibility of the applicants. Changes to incorrect registration data MAY be corrected online or by telephone prior to fingerprint submission.

Option 3 Out-of-State Applicants/Paper Fingerprint Cards
- Out-of-State applicants may submit a completed fingerprint card AND a money order or cashier check made payable to Cogent Systems. The amount for the fee can be found on the Cogent Systems website under Fingerprint Cards-Out of State only. Applicants MUST register ONLINE prior to mailing in fingerprint cards AND must include their REGISTRATION ID. Submit fingerprint cards to: Cogent Systems,ALSDE Cards Scan,5450 Frantz Rd, Suite 250,Dublin, OH 43016

Step 2: Fingerprint Payment
- The fingerprint fee is made payable to Cogent Systems. The amount for the fee can be found on the Cogent Systems website under the Fingerprinting Overview section. Applicants may pay online during registration using a debit or credit card. Only money orders or cashier checks are accepted at the fingerprint locations (no cash, credit cards or business checks are accepted at the fingerprint locations).
Step 3: **Fingerprinting**

**Field Experience**

Field experience, a requirement of the Alabama State Department of Education, is an invaluable opportunity to observe and be involved in real-life teaching situations. During your K-12 school visits students will learn pedagogy and management strategies and, in some instances, be allowed to practice their teaching skills. Most courses in the College of Education require field experience placement in K-12 school settings.

**NOTE:** Fingerprint clearance **and** a current negative TB skin test **MUST** be on file in the Certification Office before students will be assigned to a school for Field Experience. (See those sections for procedures.)

*The purchase of LiveText, an online web-based learning assessment, is a **REQUIREMENT** for students in the College of Education and for students earning a minor in Licensure and Certification in the College of Arts & Sciences. The Field Experience Verification Form requirement must be submitted into LiveText.*

**Procedures for Application**

1. Go to **ASU Online** on the College of Education website
2. Enter your user name and password
3. Select Student Tab
4. Select “Request for Field Experience Placement”
5. Select current term
6. Complete form (Note: Enter EVERY class in which you are enrolled)
7. Submit form

A **confirmation statement will appear indicating that the application was successfully submitted.**

**Placement Information**

- Placements will appear as quickly as the Field Experience Office is able to process the request. To view placement information, continue checking at the same online location the original online Request for Field Experience was submitted (see above steps)
- Field Experience placements are made based on the following information:
  - Student’s address (Please keep this information up-to-date in your ASU Online account.)
  - Student’s school system requests
  - Location and diversity setting of previous field experience assignments (Students are required to be placed at a different location each semester.)
  - Student’s course requirements

**Attending Assigned Field Experience Placement**

- **Procedure**
  - Be polite when you call the school to schedule your days. Find out what time school begins and where you should park.
  - Wear your ASU ID badge **at all times** during field experience placements. This is a **requirement**!

Badges are obtained through the Athens State University Security Office

- **Location:** ASU campus Security
- **Hours:** 8:00 – 4:00 PM
- **Information:** 256-233-8222
Sign in at the front office immediately upon entering the school EACH day.

Professionalism

- Dress and act in a professional manner.
- Arrive promptly: be on time or early.
- Exhibit a positive, courteous attitude. (Field Experience students are guests in the school.)
- Abide by all school rules. (especially those dealing with food, beverages, and cell phones)
- Make NO negative, derogatory remarks or comments toward or about the school, its personnel, or its students either verbally or nonverbally (such as Facebook).
- Contact the school office and classroom teacher immediately if you must miss a scheduled day.

ASU College of Education Statement of Ethics

All acts of dishonesty in any work constitute academic misconduct. This includes, but is not limited to, cheating, plagiarism, fabrication of information, misrepresentation, and abetting any of the above. Academic misconduct represents unethical behavior unbecoming to the teaching profession. Therefore, there is no tolerance for such behavior. Academic misconduct may result in a failing grade for this course.

Field experience is NOT optional. Failure to complete assigned field experience days and submit a completed Verification Form will result in a failing grade for the course(s) and possible referral to the Professional Review Board.

Professional Review Board

A Professional Review Board composed of education faculty members meets periodically to review unsatisfactory performance and progress of students referred by faculty members. If a student changes from seeking a teaching degree or a minor in licensure and certification and is awarded a degree in a non-teaching major, then the student must reapply with the College of Education Professional Review Board before re-entering the Teacher Education Program. Actions that cause students to be referred to the Professional Review Board include but are not limited to the following: an unacceptable score on a Professional Disposition, removal of student from clinical field experience and/or internship, academic misconduct, or inappropriate conduct. This review board also hears formal complaints from students. Recommendations are determined by consensus.

Admission into the Teacher Education Program

No more than five courses in the professional education requirements of the program of study may be completed before admittance to the Teacher Education Program (TEP). For Secondary students seeking a minor in licensure and certification, no more than five courses in the courses for certification may be completed before admittance to the Teacher Education Program (TEP). Check Plan of Study for approved courses.

Courses that require admission to the Teacher Education Program (TEP) are not accepted as transfer credit (no exceptions). Students seeking to earn a degree in education or a minor in licensure and certification must apply and be accepted into the Teacher Education Program (TEP). All students wishing to enter the Teacher Education Program must meet the Teacher Education Program (TEP) requirements.

Teacher Education Program (TEP) Requirements:

1. GPA Requirements for College of Education Majors: Overall Cumulative GPA 2.5, Professional Studies GPA 2.75, Teaching Field 2.75
2. GPA Requirements for Secondary Majors: Overall Cumulative GPA 2.5, Professional Courses GPA 2.5, Courses for Certification 2.75
3. General Education Courses and Major Prerequisite (Pre-Professional) Courses completed and all transcripts must be on file with the Records Office and must appear on the ASU transcript in Banner
4. Course Requirements: Completion of ED 301 with a grade of “C” or higher
5. Alabama Prospective Teacher Testing Program (APTTTP): completed and received a passing score in all three areas
6. Fingerprinting: completed and cleared
7. TB Test: A current negative TB test results must on file in the Certification Office
8. Plan of Study: An updated SAM plan of study, completed by student’s advisor
9. TEP panel interview: Students must complete an interview scheduled by education advisor
10. LiveText portfolio review: Student’s LiveText portfolio will be evaluated by the Education advisor
11. Completion of at least 2 professional education and 2 teaching field courses
12. Receive the approval of the faculty of the College of Education

Retention for the Teacher Education Program
1. A student may be dropped from the Teacher Education Program for failure to maintain the standards of performance required for admission to the program. The student will be supervised and evaluated in an effort to eliminate his or her deficiencies.
2. Elementary, Early Childhood, Collaborative Teacher (K-6 & 6-12), and Physical Education must maintain a grade point average of at least 2.75 on a 4.0 scale in Professional Education and Teaching Field blocks. Secondary majors, excluding Technical Education, must maintain 2.75 in Courses for Certification and 2.5 in Professional Courses (major). Technical Education must maintain 2.5 in all areas of program. All students must maintain a 2.5 cumulative GPA.
3. If Teaching Field, Professional Studies, or cumulative GPA fall below requirements, students will be removed from Teacher Education Program and must reapply for Teacher Education Program. Students must re-interview and re-submit portfolio.
4. Courses in which D’s and F’s are made must be repeated.
5. A student must maintain validation of a negative chest x-ray or tuberculosis skin test. This is to be updated every three years and kept on file in the Certification Office.

Completion for the Teacher Education Program
In addition to the specified courses in each approved program, the student must meet the following requirements:

1. Elementary, Early Childhood, Collaborative Teacher (K-6 & 6-12), and Physical Education must maintain a grade point average of at least 2.75 on a 4.0 scale in Professional Education and Teaching Field blocks. Secondary majors, excluding Technical Education, must maintain 2.75 in Courses for Certification and 2.5 in Professional Courses (major). Technical Education must maintain 2.5 in all areas of program. All students must maintain a 2.5 cumulative GPA.
2. Courses in which D’s and F’s are made must be repeated.
3. Complete the Teacher Education Program within seven years from the date of admission to the university or the student must be moved to a current plan of study.
4. As of January 1, 2009, students who seek certification to teach must take and pass the Praxis II Content Examination in his/her area, as well as any future examinations mandated by the State Department of Education, before the student teaching/internship semester.
5. Receive an acceptable rating on the required electronic LiveText portfolio for each assessment checkpoint. The portfolio will reflect evolving professional growth from the start to the completion of the program.
**IMPORTANT NOTICE!!!**

_The State Department of Education retains the right to deny credit for a course with a prerequisite of admission to teacher education if that course was taken prior to admission to teacher education. Students not admitted to the Teacher Education Program who register for courses that require admission will be withdrawn from the course by the College of Education._

Internship

The professional Internship Program for interns bridges the gap between theory and practice. The Internship experience is regarded as the most significant laboratory experience in teacher preparation. It is regarded as a period of learning for the intern under the supervision of the classroom teacher, local school, and an ASU University supervisor.

Through this experience, the intern gains skills in organizing and managing a classroom as well as establishing desirable learning situations for individual students in small and large groups. The intern has the opportunity to practice interpreting and applying educational theory in terms of pupil growth and development and integrating subject matter with teaching experiences. These realistic experiences prepare interns to become professional educators. In addition, the education faculty is provided with the opportunity to evaluate its pre-service program in teacher education to insure continuous improvement.

Application Guidelines

- Spring Semester is the designated time to apply for internship for the following year.
- You do not have to be admitted into TEP or pass the Praxis to apply. However, once you have applied, you will have to meet the requirements listed below in order to participate in internship. Always apply the Spring semester prior to the school year that you plan to intern. There is no application available during Fall or Summer semester.
- Each student is responsible for making application to the College of Education.
- Final dates for submission of the application: March 31st for Fall Internship and June 30th for Spring Internship.
- For candidates seeking certification in two or more distinct teaching fields, additional internship(s) shall be required.

Procedures for Application

1. Go to ASU Online on the College of Education website
2. Enter your user name and password
3. Click on the Student Tab
4. Select “Request for Internship Application”
5. Select current term
6. Complete form and submit. (A confirmation statement will appear that the application was successfully submitted.)

Requirements for Participation in Internship

- Admission into the Teacher Education Program (TEP)
- Grade Point Average for College of Education Majors: Overall Cumulative GPA 2.5, Professional Studies GPA 2.75, Teaching Field GPA 2.75
- Grade Point Average for Secondary Majors: Overall Cumulative GPA 2.5, Professional Courses GPA 2.5, Courses for Certification GPA 2.75
  - Completion of all methods courses with a grade of “C” or higher
  - The transcript should not reflect any grades of “I” or “F” in the required courses
- Praxis II Content Knowledge Test - a passing course respective to major
- Field experience – a minimum of 22 completed days
- Alabama Prospective Teacher Testing (APTT) – passing score in all areas
- ABI/FBI Background check (fingerprinting on file)
- Current Tuberculosis test – tested clear within a three year window
- Alabama Reading Initiative Training (ARI)

Placement and Assignment of Interns

- The College of Education and its school partners jointly determine the placements of interns to maximize the learning experience for candidates and P-12 students.
- A list of interns is forwarded to the superintendents of education in a number of area school systems for requested assignment and placement one semester prior to the internship semester.
• Classroom teachers are accomplished school professionals who are jointly selected by the College of Education and the partnering schools. After selection, classroom teachers are prepared for their roles as mentors by the University supervisor. Classroom teachers are selected from a roster which meets the Alabama State Board of Education requirements for cooperating teachers.
• Internship is available during Fall and Spring of each year. Summer internship is not an option.
• Interns are not placed at schools where the candidate has immediate family members employed or enrolled.
• Secondary interns are not placed at high schools from which they graduated.
• At Athens State University, internship is considered a full-semester, full-time assignment for 75 consecutive days.

The State Board of Education periodically revises the requirements governing certification in the State of Alabama. Therefore, requirements for degrees leading to certification are subject to change from those published in this catalog. Students are advised to secure a current plan of study from their advisor(s) to ensure that both degree requirements and certification requirements are met.

Certification

Upon graduating, students who seek certification to teach in the state of Alabama must complete a certification application.

Issuance of Alabama teaching certificates is the legal responsibility of the Alabama State Department of Education. Universities and colleges cannot issue a professional certificate. However, in order to be certified at the professional “B” level, a student must complete an appropriate course of study at a college or university which has been approved by the State Department of Education. When a student completes the course of study, the institution recommends to the State Department of Education that the appropriate certificate be awarded. It is the responsibility of the student to complete the steps for certification recommendation from Athens State University which are as follows:

1. Obtain application for certification from the Certification Officer.
2. Provide proof of online payment for each level of certification. The website is https://www.alabamainteractive.org/education/. If you are seeking more than one certification, then you will need to provide additional receipts for each additional certification.
3. Satisfy the requirements of the Teacher Education Program including proof of passing score on PRAXIS II content knowledge test and the APTTP test, and proof of ABI/FBI background clearance.
4. Provide the Certification Officer with a request for one copy of an official Athens State University transcript.
5. Students seeking certification in another state should check with that state for requirements and certification areas available.

NOTE: Certificates for students who complete certification requirements after September 1 will be dated effective July 1 of the following year.

Degreed Students Seeking Certification

A student who holds a baccalaureate degree from an accredited institution may complete certification requirements at Athens State University. Degreed students must meet the same requirements for admission to and exit from the program as a current undergraduate student. There are several certification classifications which may be appropriate for this student. A student who holds an Alabama teacher’s certificate may seek to add additional areas of certification.

Job Placement

It is recommended that each student place a resume on file with the Athens State University Placement Office prior to graduation.

Support for Beginning Teachers

Athens State University graduates have completed a program which prepares teachers to be:

1. effective communicators;
2. knowledgeable scholars;
3. positive, supportive professionals;
4. resourceful curriculum planners;
5. skilled facilitators of developmental growth;
6. student-centered, reflective instructors;
7. capable classroom managers;
8. competent evaluators; and
9. lifelong learners.
In order to provide support and to assure continued application of and growth in these professional qualities, additional services are available. The College of Education of Athens State University encourages graduates and public school personnel to contact the College for any of the following support services:

1. on-going mentorship of beginning teachers, including utilizing LiveText in day-to-day teaching and planning;
2. curriculum laboratory resources;
3. one-on-one support conferences;
4. content support from other academic areas; and
5. site visits.
1. General and Professional Education Requirements for the degree and applicable General University Requirements.

2. Technical Training Credit - Up to 39 semester hours maximum credit may be awarded to those who meet the following criteria:
   * possess a high school diploma (or equivalent) and have documentation of at least 14,000 hours (seven years) of work experience in the past ten years as a wage earner (immediately preceding date of application for a teaching position) in a technical enterprise relative to the teaching area or
   * possess a high school diploma (or equivalent) and hold a technical certification from an approved post-secondary career/technical training program and have documentation of at least 10,000 (five years) work experience within eight years (immediately preceding date of application for a teaching position) in a technical enterprise relative to the teaching area or
   * possess a high school diploma (or equivalent) and be a graduate from an approved associates degree program in a career/technical training program and have documentation of at least three years work experience within eight years (immediately preceding date of application for a teaching position) in a technical enterprise relative to the teaching area

3. General University Requirements

4. General Studies Curriculum Core:
   
   Area I. (6 semester hours)
   
   Written Composition ................................................................. 3 sem. hrs. 3 sem hrs.
   
   Area I Total: .............................................................................................. 6 sem. hrs.
   
   Area II. Humanities and Fine Arts (12 semester hours)
   
   The Arts (art, music, theater, dance) .......................................................... 3 sem. hrs.
   
   Speech (SPH 106 or 107) .............................................................................. 3 sem. hrs.
   
   Humanities (Could include, but not limited to, philosophy, religion,
   foreign languages, art, music, theater, dance.) ............................................ 3 sem. hrs.
   
   Literature* ..................................................................................................... 3 sem. hrs.
   
   Literature Total: (Do not exceed Area II total) ........................................ 12 sem. hrs.
   
   Area III. Natural Sciences and Mathematics (11 semester hours)
   
   Precalculus algebra or higher (May take finite math) .................................. 3 sem. hrs.
   
   Natural sciences (must include laboratory experiences) (Could include,
   but not limited to astronomy, biology, chemistry, geology, and physics.) ........ 4 sem. hrs.
   
   Area III Total: ................................................................................................ 11 sem. hrs.
   
   Area IV. History, Social and Behavioral Sciences (12 semester hours)
   
   Social and Behavioral Sciences (Could include, but not limited to,
   anthropology, economics, geography, political science,
   psychology** or sociology.) ................................................................. 3 sem. hrs.
   
   History* ........................................................................................................ 3 sem. hrs.
   
   History Total: (Do not exceed Area IV total.) ................................................ 12 sem. hrs.
   
   *Student must complete a 6 semester hour sequence either in literature or history.
   **General Psychology is recommended because it is a prerequisite to PS 334 and PS 332.

TOTAL GENERAL STUDIES CURRICULUM CORE: ...................................... 41 semester hours
AREA V. PRE-PROFESSIONAL COURSES:
Approved technical coursework from AAS/AAT/AOT degree programs, work experience, and ACE or Armed Services assessed courses ............................. 19 - 39 semester hours

TOTAL PRE-PROFESSIONAL COURSE HOURS.................................. 19-39 semester hours

TOTAL GENERAL CORE AND PRE-PROFESSIONAL COURSE HOURS - 60-80 semester hours

5. PROFESSIONAL EDUCATION REQUIREMENTS:
ED 301 Foundations of Education I. ................................................................. 3 semester hours ___
ED 302 Foundations of Education II................................................................. 3 semester hours ___

TOTAL HOURS FOR GRADUATION ............................................................. 124-144 semester hours

Courses underlined require admission to Teacher Education Program (TEP) and may not be transferred from another institution.

**Seven credit hours of elective courses will be required to meet the minimum degree requirements of 124 credit hours. These may come from the Technical courses offered or other area as approved by the advisor. Elective courses MUST be from the 300 or 400 level.

*Permission of Department Chair is Required

7. Each student will be required to produce course syllabi and/or course descriptions for courses they wish to transfer towards their teaching field area requirements. This is an Alabama State Department of Education requirement. The Alabama State Department of Education ultimately decides whether or not a course will count as transfer credit after the syllabi are evaluated.
Suggested Course Sequence
Secondary (Class B)
Technical Education

First Semester
ED 301 Foundations of Education I
CE 302 History and Principles of Career Technical Education
CE 305 Meeting the Needs of Exceptional Career Technical Education Students
CE 433 Learning Resources and Technology in Career Technical Education

Second Semester
ED 302 Foundations of Education II
CE 432 Teaching Career Technical Education
CE 438 Classroom/Laboratory Management
CE 439 Career Technical Student Youth Organizations

Third Semester
CE 435 Industrial Health and Shop Safety
CE 434 Course Development and Evaluation in Career Technical Education
CE 436 Career Technical Information and Guidance
EC 348 Labor Economics

Fourth Semester
PS 334 Adolescent Psychology
*CE 440 Testing and Evaluation in Career Technical Education
CE 445 Functions of the Coordinator
*SC 333 Teaching Reading/Writing in the Content Areas
** Electives -300 or 400 level courses

Fall or Spring Final Semester
*CE 487 Internship in Technical Education

*Required permission of the Teacher Education Program.

**Seven credit hours of elective courses will be required to meet the minimum degree requirements of 124 credit hours. These may come from the Technical Education courses offered or other areas as approved by the advisor. Elective courses MUST be from the 300 or 400 level.

Courses underlined require admission to the Teacher Education Program and may not be transferred from another institution.
The College of Education offers a program designed to prepare instructors to serve in the technical trade and industrial areas of instruction in technical colleges, institutes, military installations and schools. Admission to the program is dependent upon the student’s validation of an acceptable technical skill or technology as noted by the Department of Labor Job Code. A student who does not possess such technology may not enter the program. This program does not lead to Class B, Secondary Professional Certification.

1. APPLICABLE GENERAL UNIVERSITY REQUIREMENTS.
2. Technical Training Credit - Up to 39 semester hours maximum credit may be awarded to those who meet the following criteria:
   a. possess a high school diploma (or equivalent) and have documentation of at least 14,000 hours of work experience in the past ten years as a wage earner in a technical enterprise relative to the teaching area or
   b. possess a high school diploma (or equivalent) and hold a technical certification or be a graduate from an approved post-secondary career/technical training program.

3. GENERAL STUDIES CURRICULUM CORE:
   Area I. (6 semester hours)
   Written Composition ........................................................................................................... 3 sem. hrs. ___ 3 sem hrs. ___
   Area I Total: ........................................................................................................... 6 sem. hrs.

   Area II. Humanities and Fine Arts (12 semester hours)
   The Arts (art, music, theater, dance) ........................................................................ 3 sem. hrs.
   Speech (SPH 106 or 107) ......................................................................................... 3 sem. hrs. ___
   Humanities (Could include, but not limited to, philosophy, religion, foreign languages, art, music, theater, dance.) ........................................................................ 3 sem. hrs. ___
   Literature* ............................................................................................................. 3 sem. hrs. ___
   or 6 sem hrs. ___ ___
   Area II Total: (Do not exceed Area II total) ...................................................... 12 sem. hrs.

   Area III. Natural Sciences and Mathematics (11 semester hours)
   Precalculus algebra or higher (May take finite math) ........................................... 3 sem. hrs.
   Natural sciences (must include laboratory experiences) (Could include, but not limited to, astronomy, biology, chemistry, geology, and physics.) .... 4 sem. hrs. ___ 4 sem. hrs. ___
   Area III Total: ......................................................................................................... 11 sem. hrs.

   Area IV. History, Social and Behavioral Sciences (12 semester hours)
   Social and Behavioral Sciences (Could include, but not limited to, anthropology, economics, geography, political science, psychology** or sociology.) ........................................................................ 3 sem. hrs. ___ 3 sem. hrs. ___
   History* ............................................................................................................. 3 sem. hrs. ___
   or 6 sem hrs. ___ ___
   Area IV Total: (Do not exceed Area IV total) .................................................... 12 sem. hrs.

*Student must complete a 6 semester hour sequence either in literature or history.
**General Psychology is recommended because it is a prerequisite to PS 334 and PS 335.

CE 440  Testing and Evaluation in Career Technical Education
CE 446  Individualizing Instruction in the Career Technical Programs
Elective(s) as needed

Fourth Semester
Select one:
CE 483  Practicum in Teaching Technical Education
CE 484  Practicum in Teaching Technical Education
CE 485  Practicum in Teaching Technical Education
Elective(s) as needed

NOTE: General Studies Curriculum Core Requirements (English and Speech) should be completed prior to Career Technical courses.
Bachelor of Science in Education - Technical Education: Early Instructor Option

MAJOR CODE: 13.1319

The College of Education offers a program designed to prepare preschool teachers to serve in Headstart, Pre K, daycare centers, and private preschools. This program does not lead to Class B, Early Childhood (P-3) Certification. Therefore, students will not be admitted to the Teacher Education Program (TEP) and they will not take the APTT or Praxis II Content Knowledge Test. If students begin or complete this program and later decide to seek Early Childhood Certification, all coursework will have to be repeated.

Program components for the Bachelor of Science in Education with a major in Early Instructor Technical Teacher Education include:

1. APPLICABLE GENERAL UNIVERSITY REQUIREMENTS

2. GENERAL STUDIES CURRICULUM CORE:

   Area I. (6 semester hours)
   Written Composition ................................................................. 3 sem. hrs. ___ 3 sem. hrs. ___

   Area I Total: ................................................................................................. 6 sem. hrs

   Area II. Humanities and Fine Arts (12 semester hours)

3C. ADDITIONAL REQUIREMENTS:

***ER 460,461,462 Practica in Early Childhood Education ......................... 3, 6, or 9 sem. hrs. ___ ___ ___

** Students who are Early Childhood majors and have taken CHD 201- Child Growth and Development, CHD 202 - Creative Experiences, and/or CHD 210 - Educating the Exceptional Child do not take PS 332 - Child Psychology. AR 310 - Fine Arts Connection or SE 301- Introduction to Exceptional Learners. These students must take ER 460/461/462 - Practica in Early Childhood Education. Students who have taken CHD 201 are required to take ER 460. Students who have taken CHD 210 are required to take ER 461. Students who have taken CHD 202 are required to take ER 462. This does not apply to Elementary Education Majors.

4. Each student will be required to produce course syllabi and/or course descriptions for courses they wish to transfer towards their teaching field area requirements. This is an Alabama State Department of Education requirement. The Alabama State Department of Education ultimately decides whether or not a course will count as transfer credit after the syllabi are evaluated.

TOTAL TEACHING FIELD HOURS .................................................. 39 SEMESTER HOURS

TOTAL HOURS FOR GRADUATION ................................................. 126 SEMESTER HOURS

Courses underlined require admission to the Teacher Education Program and may not be transferred from another institution.
# EARLY CHILDHOOD EDUCATION P-3
## RECOMMENDED SEQUENCE

### First Semester
- **ED 301** Foundations of Education I .......................................................... 3 semester hours __
- **ED 305** Technology & Media in Education .................................................. 3 semester hours __
- **ER 303** Professional Education Communication ......................................... 3 semester hours __
- **ER 310** Principles of Early Childhood Education ......................................... 3 semester hours __
- **PS 332** Child Psychology ........................................................................... 3 semester hours __

### Second Semester
- **ED 302** Foundations of Education II ............................................................. 3 semester hours __
- **ED 322** Basic Principles of ELL Education .................................................... 3 semester hours __
- **ER 326** Assessment in Early Childhood Classrooms .................................... 3 semester hours __
- **ER 327** Classroom Management in Early Childhood Education .................. 3 semester hours __
- **SE 301** Introduction to Exceptional Learners ............................................... 3 semester hours __

- **ER 480** Internship in Early Childhood Education ........................................ 9-12 semester hours __
Bachelor of Science in Education - Elementary Education Major (K-6)

MAJOR CODE: 13.1202

(Due to the No Child Left Behind Federal Act of 2001, the program listed below may have changed. Please see your advisor.)

1. APPLICABLE GENERAL UNIVERSITY REQUIREMENTS

2. GENERAL STUDIES CURRICULUM CORE:

   Area I. (6 semester hours)
   Written Composition ................................................................. 3 sem. hrs. ___ 3 sem hrs.___
   Area I Total: .................................................................................. 6 sem. hrs.

   Area II. Humanities and Fine Arts (12 semester hours)
   The Arts (art, music, theater, dance) ........................................ 3 sem. hrs. ___
   Speech (SPH 106 or SPH 107) ...................................................... 3 sem. hrs. ___
   Humanities (Could include, but not limited to: philosophy, religion,
   speech, foreign languages, art, music, theater, dance.) .................... 3 sem. hrs. ___
   Literature* .................................................................................... 3 sem. hrs. ___
   or 6 sem hrs. ___
   Area II Total: .................................................................................. 12 sem. hrs.

   Area III. Natural Sciences and Mathematics (11 semester hours)
   Precalculus Algebra or higher ..................................................... 3 sem. hrs. ___
   Two Natural Science with Labs .................................................... 4 sem. hrs. ___ 4 sem. hrs. ___
   (Recommended courses are Biology and Physical Science since these courses will
   help students prepare for the Elementary Content Knowledge Praxis II test.)
   Area III Total: .................................................................................. 11 sem. hrs.

   Area IV. History, Social and Behavioral Sciences (12 semester hours)
   Social and Behavioral Sciences (Could include, but not limited to:
   anthropology, economics, geography, political science,
   **psychology or sociology.) ......................................................... 3 sem. hrs. ___ 3 sem hrs.___
   History * ......................................................................................... 3 sem. hrs. ___
   or 6 sem hrs. ___
   Area IV Total: .................................................................................. 12 sem. hrs.

*Students must complete a 6 semester hour sequence either in Area II Literature or in Area IV History.

**General Psychology is recommended because it is a prerequisite to PS 332, a required course in the major.

TOTAL GENERAL STUDIES CURRICULUM CORE: ................................. 41 semester hours

Area V. MAJOR PREREQUISITE COURSES (PRE-PROFESSIONAL):

Two Natural Science Courses with Labs ........................................... 8 semester hours___ ___
One upper level math (which could include Precalculus Algebra,
Finite Math, or (MA 311) Advanced Math for Teachers) .................... 3 sem. hrs. ___
Mathematics (One lower level math 100 or above, not to include Remedial or Technical
Math) ................................................................................................. 3 sem. hrs. ___
Mathematics (One lower level math 100 or above, not to include Remedial or Technical
Math) ................................................................................................. 3 sem. hrs. ___
TOTAL MAJOR PREREQUISITE HOURS: ........................................... 17 semester hours

TOTAL GENERAL CORE AND MAJOR PREREQUISITE HOURS: 58 semester hours

HEALTH AND PHYSICAL EDUCATION DEPARTMENT

The Physical Education curriculum at Athens State University consists of courses which meet the requirements of the State Department of Education for Class “B” Teacher Certification for the professional programs in Physical Education (P-12).

Bachelor of Science in Education - Physical Education Major
P-12 Certification
MAJOR CODE: 13.1314

(Due to the No Child Left Behind, the program listed below may have changed. Please see your advisor.)

Program components for the Bachelor of Science in Education degree with a major in Physical Education, P-12 certification, include:

1. APPLICABLE GENERAL UNIVERSITY REQUIREMENTS

2. GENERAL STUDIES CURRICULUM CORE:

   Area I. (6 semester hours)
   Written Composition .......................................................... 3 sem. hrs. ___ 3 sem hrs. ___
   Area I Total: .......................................................................................... 6 sem. hrs.

   Area II. Humanities and Fine Arts (12 semester hours)
   The Arts (art, music, theater, dance) .................................................. 3 sem. hrs. ___
   Speech (SPH 106 or SPH 107) .............................................................. 3 sem. hrs. ___
   Humanities (Could include, but not limited to, philosophy, religion, speech, foreign languages, art, music, theater, dance.) ........................................ 3 sem. hrs. ___
   Literature* ...................................................................................... 3 sem. hrs. ___ or 6 sem hrs. ___
   Area II Total: (Do not exceed Area II total.) ........................................ 12 sem. hrs.

   Area III. Natural Sciences and Mathematics (11 semester hours)
   Precalculus algebra or higher (Students may take MTH 110
   Finite Math) .......................................................... 3 sem. hrs. ___
   Human Anatomy and Physiology or BI 361 Human Struct. & Funct............ 4 sem. hrs. ___
   Natural Science with Lab (Could include, but not limited to, astronomy, biology, chemistry, geology, and physics.) ................................................... 4 sem. hrs. ___
   (Recommended courses are Biology and Physical Science since these courses will help students prepare for the Elementary Content Knowledge Praxis II test.)
   Area III Total: .......................................................................................... 11 sem. hrs.

   Area IV. History, Social and Behavioral Sciences (12 semester hours)
   Social and Behavioral Sciences (Could include, but not limited to, anthropology, economics, geography, political science, psychology** or sociology.) .................................................. 3 sem. hrs. ___ 3 sem hrs. ___
   Human Growth & Development or PS 332 Child Psych............................. 3 sem. hrs. ___
   History * ............................................................................................. 3 sem. hrs. ___ or 6 sem hrs. ___
   Area IV Total: (Do not exceed Area IV total) ........................................... 12 sem. hrs.

*Students must complete a 6 semester hour sequence either in Area II. Literature or in Area IV. History.

TOTAL GENERAL STUDIES CURRICULUM CORE: ........................................ 41 semester hours

Area V. MAJOR PREREQUISITE COURSES (PRE-PROFESSIONAL):
   Foundations of Physical Education or HPE 326 History and Princ. .......... 3 sem. hrs. ___
   Personal or Community Health or HPE 354 Contemporary Health ........... 3 sem. hrs. ___
   Safety and First Aid or HPE 323 Aquatics and Advanced Lifesaving ............ 3 sem. hrs. ___
   Care and Prevention of Athletic Injuries or HPE 333 Care & Prevent Care .... 3 sem. hrs. ___
   Sports Officiating or HPE 301 Theory of Coaching & Officiating .............. 3 sem. hrs. ___
   Physical Education Activity (at least 3 different activity courses) ............. 3 sem. hrs. ___

   TOTAL MAJOR PREREQUISITE COURSES: ........................................... 18 semester hours

TOTAL GENERAL CORE AND MAJOR PREREQUISITE COURSE HOURS. . 59 semester hours

180
3. **PROFESSIONAL EDUCATION REQUIREMENTS:**

   ED 301 Foundations of Education I ................................................................. 3 sem. hrs. ___
   ED 302 Foundations of Education II ............................................................... 3 sem. hrs. ___
   ED 305 Technology & Media in Education ...................................................... 3 sem. hrs. ___
   ED 322 Basic Principles of ELL Education ...................................................... 3 sem. hrs. ___
   SE 301 Introduction to Exceptional Learners .................................................... 3 sem. hrs. ___
   HPE 401 Measurement and Evaluation ............................................................ 3 sem. hrs. ___
   HPE 430 Teaching Physical Education in the Elementary School (Capstone course) 3 sem. hrs. ___
   HPE 440 Teaching Physical Education in High School (Capstone course) .......... 3 sem. hrs. ___
   HPE 488 Internship in P-12 Education ........................................................... 9-12 sem. hrs. ___

   **TOTAL PROFESSIONAL EDUCATION COURSE HOURS:** 33-36 semester hours

4. **TEACHING FIELD REQUIREMENTS:**

   SE 315 Introduction to Cognitive and Health Disability .................................... 3 sem. hrs. ___
   SE 325 Introduction to Learning and Emotional Disabilities .............................. 3 sem. hrs. ___
   HPE 321 Analysis and Teaching of Rhythms and Dance ..................................... 3 sem. hrs. ___
   HPE 322 Analysis and Teaching of Individual Sports ......................................... 3 sem. hrs. ___
   HPE 324 Analysis and Teaching of Team Sports .............................................. 3 sem. hrs. ___
   HPE 325 Kinesiology ...................................................................................... 3 sem. hrs. ___
   HPE 327 Physiology of Exercise ....................................................................... 3 sem. hrs. ___
   HPE 350 Adapted Physical Education and Sports .............................................. 3 sem. hrs. ___
   HPE 355 Health-Related Fitness and Nutrition .................................................. 3 sem. hrs. ___
   HPE 400 Organization and Administration of Physical Education ..................... 3 sem. hrs. ___
   HPE 429 Early Childhood and Elementary Physical Education Curriculum .......... 3 sem. hrs. ___
   HPE 431 Motor Development and Physical Activities ........................................ 3 sem. hrs. ___

   **TOTAL TEACHING FIELD HOURS:** 36 semester hours

   **TOTAL HOURS FOR GRADUATION:** 128 semester hours

5. Each student will be required to produce course syllabi and/or course descriptions for courses they wish to transfer towards their teaching field requirements. This is an Alabama State Department of Education requirement. The Alabama State Department of Education ultimately decides whether or not a course will count as transfer credit after the syllabi are evaluated.

   Courses underlined require admission to the Teacher Education Program and may not be transferred from another institution.
**PHYSICAL EDUCATION**

**SUGGESTED COURSE SEQUENCE**

### First Semester
- **ED 301** Foundations of Education I .............................................................. 3 semester hours
- **HPE 325** Kinesiology (Prerequisite - Human Anatomy and Physiology) ....... 3 semester hours
- **HPE 321** Analysis & Teaching of Rhythms and Dance ................................. 3 semester hours
- **HPE 323** Aquatics and Advanced Lifesaving (if substitute course not taken in Area V) .......................................................... 3 semester hours
- **HPE 326** History and Prin. of P.E. (if substitute course not taken in Area V) .... 3 semester hours
- **HPE 333** Care and Prevention of Athletic Injuries (if substitute course not taken in Area V) .................................................................................. 3 semester hours

**Total** ........................................................................................................ 18 semester hours

### Second Semester
- **ED 302** Foundations of Education II ............................................................. 3 semester hours
- **ED 322** Basic Principles of ELL Education .................................................... 3 semester hours
- **HPE 301** Theory of Coaching and Officiating (if substitute course not taken in Area V) .................................................................................. 3 semester hours
- **HPE 322** Analysis & Teach. of Individual Sports .............................................. 3 semester hours
- **HPE 355** Health-Related Fitness & Nutrition .................................................. 3 semester hours
- **SE 301** Introduction to Exceptional Learners .................................................. 3 semester hours

**Total** ........................................................................................................ 18 semester hours

### Third Semester
- **ED 305** Technology & Media in Education .................................................... 3 semester hours
- **HPE 324** Analysis & Teaching of Team Sports ................................................ 3 semester hours
- **HPE 327** Physiology of Exer. (Prerequisite - Human Anatomy and Physiology) .......................................................... 3 semester hours
- **HPE 350** Adapted P.E. & Sports ........................................................................ 3 semester hours
- **SE 315** Introduction to Cognitive and Health Disability .................................. 3 semester hours
- **HPE 429** Early Childhood and Elementary Physical Education Curriculum ...... 3 semester hours

**Total** ........................................................................................................ 18 semester hours

### Fourth Semester
- **HPE 430** Teach. P.E. in the Elem. School (Prerequisite - 3 Analysis and Teaching Classes) .......................................................... 3 semester hours
- **HPE 400** Org. & Adm. of P.E. ................................................................. 3 semester hours
- **HPE 401** Measurement and Evaluation ......................................................... 3 semester hours
- **HPE 440** Teaching P.E. in High School (Prerequisite - 3 Analysis and Teaching Classes) .......................................................... 3 semester hours
- **HPE 431** Motor Development & Physical Activity (prerequisite - Child Psychology or equivalent) .................................................. 3 semester hours
- **SE 325** Introduction to Learning and Emotional Disabilities .......................... 3 semester hours

**Total** ........................................................................................................ 18 sem. hrs.

**Grand Total** ............................................................................................ 72 sem. hrs.

### Fall or Spring Final Semester
- **HPE 488** Internship in P-12 Education ........................................................ 9-12 semester hours

Courses underlined require admission to the Teacher Education Program and may not be transferred from another institution.
SPECIAL EDUCATION (Collaborative Teacher)

The Special Education Program at Athens State University is designed to prepare professionals to work with students across various age levels (K-6 and 6-12) who have disabilities. The program provides pre-service training in preparation for the class “B” certificate.

Bachelor of Science in Education - Special Education (Collaborative Teacher) (K-6)
MAJOR CODE: 13.1001

(Due to the No Child Left Behind Federal Act of 2001, the program listed below may have changed. Please see your advisor.)

1. APPLICABLE GENERAL UNIVERSITY REQUIREMENTS.

**TOTAL HOURS FOR GRADUATION:** 126 semester hours

5. Each student will be required to produce course syllabi and/or course descriptions for courses they wish to transfer towards their teaching field requirements. This is an Alabama State Department of Education requirement. The Alabama State Department of Education ultimately decides whether or not a course will count as transfer credit after the syllabi are evaluated.

Courses underlined require admission to the Teacher Education Program and may not be transferred from another institution.

Courses underlined require admission to the Teacher Education Program and may not be transferred from another institution.
LICENSURE/CERTIFICATION FOR GRADES 6-12

The student who wishes to be certified to teach grades 6-12 must successfully complete an approved degree from the College of Arts and Sciences with a Licensure/Certification track from the College of Education. (See the College of Arts & Sciences’ section for detailed descriptions of programs.)

Program components for Licensure/Certification track:
1. Applicable general university requirements
2. An academic major from the College of Arts and Sciences
3. Licensure/Certification track requirements from the College of Education and appropriate field experience requirements
4. Each student will be required to produce course syllabi and/or course descriptions for courses they may wish to transfer towards their Professional Courses requirements. This is an Alabama State Department of Education requirement. The Alabama State Department ultimately decides whether or not a course will count as transfer credit after the syllabi are evaluated.

Bachelor of Science - Biology Major
(Licensure and Certification Track for Teaching in Grades 6-12)
MAJOR CODE: 26.0101

(Due to the No Child Left Behind Federal Act of 2001, the program listed below may have changed. Please see your advisor.)

1. COURSES FOR CERTIFICATION:

   ED 301 Foundations of Education I ................................................................. 3 semester hours ___
   ED 302 Foundations of Education II .............................................................. 3 semester hours ___
   ED 305 Technology & Media in Education ...................................................... 3 semester hours ___
   SC 331 Classroom Management in Secondary Education ................................ 3 semester hours ___
   SC 333 Teaching Reading/Writing in the Content Areas ................................ 3 semester hours ___
   SC 362 Assessment and Evaluation in Secondary Education .......................... 3 semester hours ___
   PS 334 Adolescent Psychology ..................................................................... 3 semester hours ___
   SE 301 Introduction to Exceptional Learners .................................................. 3 semester hours ___
   BI 456 Materials/Methods of Teaching Biology in the Middle School/High School ................................................................. 3 semester hours ___
   SC 486 Internship in High School .................................................................. 9 semester hours ___

TOTAL REQUIREMENTS FOR LICENSURE/CERTIFICATION: .......... 36 SEMESTER HOURS

TOTAL HOURS FOR GRADUATION ................................................. 128-132 SEMESTER HOURS

Courses underlined require admission to the Teacher Education Program (TEP) and may not be transferred from another university.

Licensure and Certification students do not take HUM 321.
Bachelor of Science - Chemistry Major
(Licensure and Certification Track for Teaching in Grades 6-12)
MAJOR CODE: 40.0501

Due to the No Child Left Behind Federal Act of 2001, the program listed below may have changed. Please see your advisor.

1. COURSES FOR CERTIFICATION:
   ED 301 Foundations of Education I .................................................. 3 semester hours ___
   ED 302 Foundations of Education II .................................................. 3 semester hours ___
   ED 305 Technology & Media in Education ........................................ 3 semester hours ___
   SC 331 Classroom Management in Secondary Education .................. 3 semester hours ___
   SC 333 Teaching Reading/Writing in the Content Areas .................... 3 semester hours ___
   SC 362 Assessment and Evaluation in Secondary Education ............. 3 semester hours ___
   PS 334 Adolescent Psychology ....................................................... 3 semester hours ___
   SE 301 Introduction to Exceptional Learners ................................... 3 semester hours ___
   CH 456 Materials and Methods of Teaching Chemistry in Middle School/High School .................................................. 3 semester hours ___
   SC 486 Internship in High School Education .................................... 9 semester hours ___

TOTAL REQUIREMENTS FOR LICENSURE/CERTIFICATION.............. 36 SEMESTER HOURS
TOTAL HOURS FOR GRADUATION ...................................................... 136 SEMESTER HOURS

Courses underlined require admission to the Teacher Education Program (TEP) and may not be transferred from another university.

Licensure and Certification students do not take HUM 321.

Bachelor of Arts - English Major
(Licensure and Certification Track for Teaching Grades 6-12)
MAJOR CODE: 23.0101

Due to the No Child Left Behind Federal Act of 2001, the program listed below may have changed. Please see your advisor.

1. COURSES FOR CERTIFICATION IN ENGLISH/LANGUAGE ARTS:
   ED 301 Foundations of Education I .................................................. 3 semester hours ___
   ED 302 Foundations of Education II .................................................. 3 semester hours ___
   ED 305 Technology & Media in Education ........................................ 3 semester hours ___
   SC 331 Classroom Management in Secondary Education .................. 3 semester hours ___
   SC 333 Teaching Reading/Writing in the Content Areas .................... 3 semester hours ___
   SC 362 Assessment and Evaluation in Secondary Education ............. 3 semester hours ___
   SE 301 Introduction to Exceptional Learners ................................... 3 semester hours ___
   EH 457 Materials and Methods of Teaching English/Language Arts in Middle School/High School .................................................. 3 semester hours ___
   PS 334 Adolescent Psychology ....................................................... 3 semester hours ___
   SC 486 Internship in High School Education .................................... 9 semester hours ___

TOTAL REQUIREMENTS FOR LICENSURE/CERTIFICATION.......36 SEMESTER HOURS
TOTAL HOURS FOR GRADUATION ........................................................ 131 SEMESTER HOURS

Courses underlined require admission to the Teacher Education Program (TEP) and may not be transferred from another university.

Licensure and Certification students do not take HUM 321.
Bachelor of Arts - History Major  
(Licensure and Certification Track for Grades 6-12)  
MAJOR CODE: 54.0101  
(Due to the No Child Left Behind Federal Act of 2001, the program listed below may have changed. Please see your advisor.)  

1. COURSES FOR CERTIFICATION:
