

Student Mentor/Tutor (1 Position)

Osborn, Warren, Oden Recreation Center

Purpose: **To improve the quality of life for community residents.**

Responsibilities:

Tutoring and academic assistance:

- Help tutor and provide academic assistance in subjects where improvement is needed.
- Help youth improve their attitude and increase their self-confidence and pride in achievement.
- Help students recognize the importance of school, and understand how to become more successful in their classes

Access to college:

- Help youth realize the need to continue their education beyond high school and how to accomplish the steps to do so.
- Help students maintain an interest in school and see the link between their studies and their future.
- Provide an example of the importance of postsecondary education.

Career preparation:

- Help youth prepare for college and entry into the workforce by helping them understand the expectations employers have about attitude, preparedness, and skills.

Role modeling and avoiding negative behaviors:

- Be a positive role model.
- Help youth recognize and expand their horizon of opportunities.

Wage Rate: \$10.00 per hour

Background screening is required.
