### SUMMER 2015 FINAL EXAM SCHEDULE

**1 meeting per week (day or evening):**
- Monday: July 27
- Tuesday: July 21
- Wednesday: July 22
- Thursday: July 23
- Friday: July 24

**2 meetings per week (day):**
- Mon/Wed: July 27
- Tue/Thur: July 23
FEDERAL REFUND POLICY

Federal Refund Regulations require Financial Aid Students receiving Pell Grants, Federal Supplemental Education Opportunity Grants or Federal Direct Loans, and withdrawing from all of his/her classes prior to the 60% point in the term or June 28, 2015, to immediately repay any unearned federal aid dollars to the program providing those funds. The following formula is used to compute aid to be returned:

Days Enrolled X Title IV Aid Awarded & Disbursed = Aid Earned
Aid Disbursed - Aid Earned = Aid to be Returned

Order of Funds to Return
- Unsubsidized Loans (per promissory note terms)
- Subsidized Loans (per promissory note terms)
- Pell Grant *50%
- FSEOG

NOTE:
Student failure to attend or withdraw from courses will result in recalculation of “earned” aid for the term. Funds “unearned” by the student must be repaid immediately.

CLEP - College Composition - with a passing score of 50, students can earn 6 credit hours for English 101 and English 102*. College Composition assesses writing skills taught in most first-year college composition courses. Those skills include analysis, argumentation, synthesis, usage, ability to recognize logical development and research. This exam includes two essay sections.

DSST - Here’s to Your Health - with a passing score of 400, students can get 3 Lower Level credit hours in Science*. This exam covers human development and relationships; fitness and nutrition; disease and prevention; consumer awareness; psychological disorders and addictive behaviors; intentional injuries; and violence. The exam contains approximately 95 questions to be answered in 90 minutes.

CLEP - Western Civilization I - with a passing score of 50, students can earn 3 credit hours for History 101*. Scores based on ACE credit recommendations

Western Civilization I: Ancient Near East to 1648 covers the civilizations of Ancient Greece, Rome and the Near East; the Middle Ages; the Renaissance and Reformation; and early modern Europe. Test-takers may be asked to evaluate or interpret historical data or primary sources.
Athens State University and Calhoun Community College partner in a Special Instructional Request (SIR) program. This program is designed for students who are deficient in General Education Requirements for Graduation (Areas I-V). Students may enroll at Calhoun Community College while taking courses at Athens State University.

Registration Deadline: May 8, 2015
Forms: www.athens.edu/SIR

Athens State University and Calhoun Community College partner in a Special Instructional Request (SIR) program. This program is designed for students who are deficient in General Education Requirements for Graduation (Areas I-V). To participate in this program please complete the following steps:

- Fill out a SIR form.
- Get academic advisors signature on the form
- Submit the form to the Athens State Admission Office

Students are subject to English and or mathematics placement exam at Calhoun. SIR students are not allowed to register for Internet or Telecourses at Calhoun. SIR classes will not be counted as senior level credit. Withdrawal from a SIR class must be submitted to the Athens State University Admissions office.

Questions, Call the Admissions Office at 256-233-8130

Please Note: Students are not allowed to participate in the SIR program in their last semester at Athens State. Students are not allowed to register for more classes at Calhoun than they are registered for at Athens State University. SIR grades are often delayed 5-7 business days resulting in an incomplete on the grade report. Grades are corrected once they are received by the Athens State Records office.

CAREER DEVELOPMENT CENTER

The Career Development Center provides assistance to Athens State students and Alumni in career planning, development and job seeking strategies. The department serves as a major link between students/Alumni and potential employers. We are here to assist students in identifying and fulfilling their future goals and aspirations. Students receive support in creating professional documents (resumes, cover letters, and social media profiles) and learning effective interview and job search techniques. We offer a variety of opportunities to come face to face with hiring employers and graduate school recruiters at career fairs, employer workshops, information sessions, and at campus recruiting events. To register for Athenian Jobs and services, please visit: www.athens.edu/career

Student I.D. Cards

Your initial card is provided at no charge. Cards are available at the Security Office from 8:00 a.m. to 4:00 p.m.

Red Emergency Call Boxes

...are not just for emergencies. Use to obtain directions, to open a locked building, to find departments or building, to report suspicious people or activities, or for any reason you would need to speak to a security officer. You’ll find the bright red emergency call boxes at strategic points all over campus—become familiar with their locations. The calls go directly to our Security Office or officer cell phone.
Online Learning Technologies, Testing Policies & Procedures, and Technical Support

**Online Learning Technologies:** Athens State University uses Blackboard Learn™ as its official platform for all course delivery. Blackboard is a course management system designed to enhance your learning experience and promote collaborative engagement throughout your educational career at the University. All internet-based and blended courses, as well as most campus-based courses, will require you to use Blackboard on a regular basis throughout each semester. Instructors utilize Blackboard within their courses to varying degrees and may, at their discretion, enlist additional institutionally-supported software to further enhance their courses for the student's benefit, such as Tegrity Campus and Blackboard Collaborate. Please consult the syllabus in each course to see if your professors require either product, which may require you to own a webcam and microphone.

- **Tegrity Campus** allows you to playback any lecture recorded by your instructor, in part or whole. Videos can be streamed over the internet or downloaded to an external video player (iPod, MP3) for off-line studying. If you instructor has provided video sessions for your review, you may access these by clicking the “Tegrity Classes” link/button in your Blackboard course.

- **Blackboard Collaborate** is a comprehensive live collaboration environment for effective delivery of dynamic instruction and learning. Voice, video, podcasting, content authoring and instant messaging are all enhanced features which work seamlessly within your existing Blackboard courses for live classroom collaboration over the internet.

**Testing Policies & Procedures:** Athens State University’s accrediting agency — the Southern Association of Colleges and Schools (SACS) — and the Higher Education Opportunity Act of 2008 require processes to be in place to establish that each student who registers for a course/program with online components is the very same student who participates in and completes the course/program, and that this same student receives the appropriate academic credit. To this extent, the university has applied multiple technologies to the examination process in order to meet these requirements and to preserve the validity of online learning.

The institution currently utilizes Acxiom Corporation — an external identity authentication provider who maintains and updates over 32 billion public records monthly — to perform this required identity authentication process. The Acxiom authentication tool does not dictate that you provide any private data about yourself, but rather it requires a correct response to authentication questions derived from related publically available information legally maintained by Acxiom. Identity authentication is absolutely critical in order to protect student identity and the academic integrity of the test-taking environment, and is a key component of our security protocols in place to protect your academic investment. Athens State University is fully compliant by law with all local, state and federal regulations in regards to the security of student education records.

Please note that by enrolling in any course which uses online components, you automatically agree to have your identity verified for authentication purposes as required by our accrediting bodies. Additionally, you also agree to our student code of conduct, and confirm that you will not share your login and password, nor receive any assistance with your assessments in your courses.

Athens State also uses Respondus LockDown Browser™, a downloadable software application used to protect the testing environment within Blackboard. LockDown Browser prevents you from printing, copying, internet surfing, and accessing other applications while taking your exams online. Please download the browser from our website [www.athens.edu/blackboard] and install it on the computer you intend to use during your exams. Successful installation of the software will result in an icon appearing on your computer’s desktop, which you will click to access your exams at the appropriate time.

**Technical Support:** Athens State University provides you with free 24/7 technical support on all of our learning technologies. Your direct line for immediate technical support on all Acxiom, Blackboard, Respondus LockDown Browser, Tegrity, and Blackboard Collaborative related issues is to always first call 1-888-7-ATHENS (1-888-728-4367) for the most optimum response to your needs.
