Policy Implementation: President/Provost-VP for Academic Affairs

## **STUDENT ENROLLMENT & DEVELOPMENT POLICY**

---

### **POLICY**

The Athens State University Board of Trustees shall ensure that the University provides for student enrollment and development by implementing services, activities, and opportunities which complement students' academic experiences, as well as enhance adjustment to and participation in University life and advance the general well-being of students.

### **PURPOSE AND SCOPE**

The purpose and purview shall be broad and cover a number of aspects in and outside the classroom. Student enrollment and development functions and activities shall involve recruiting and admitting students and assisting them with financing their education; fostering personal and social development; orienting students new to the University; offering opportunities for leadership development; student services, activities, and programs.
