Course Forgiveness and Academic Bankruptcy

I. Policy Statement and Purpose

In accordance with Athens State University’s educational mission, this policy establishes the standards for course forgiveness and academic bankruptcy for courses taken at Athens State University. These standards are based on comparable practices at other institutions of higher education, and also recognize the unique status of the University as an upper-division institution.

II. Course Forgiveness

A student may apply to have no more than 2 Athens State courses (not to exceed 8 semester hours) excluded from the calculation of the institutional grade point average (GPA). If forgiveness is granted, the grades for all forgiven courses will still appear on the Athens State transcript, but will have a notation that these courses are being excluded from the institutional GPA. **If a course is chosen for forgiveness, the credit for the course cannot be used towards fulfillment of program or major requirements.**

Students wishing to apply for course forgiveness must use the standard forgiveness request form available from the Office of Records, and must include all information and materials as specified on the form. Requests for course forgiveness must be submitted to the Office of Records prior to the last day of the late registration/schedule adjustment period in the semester of the student’s anticipated graduation.

Students are encouraged to contact their academic advisor before applying for forgiveness for any courses. **Special regulations pertain to students receiving veteran’s benefits or financial aid: those individuals must confer with the Director of Veterans Affairs or the Director of Student Financial Aid prior to applying for course forgiveness.**

III. Academic Bankruptcy

Students may apply to have 1 to 3 entire semesters of Athens State coursework excluded from the calculation of the institutional GPA. When academic bankruptcy is granted for a given semester, the grades for all bankrupted courses will still appear on the Athens State transcript, but will have a notation that these courses are being excluded from the institutional GPA. **Academic bankruptcy for a given semester excludes grades for all coursework taken during that semester, regardless of the grade, from the institutional GPA. The credit for any courses included in bankrupted semesters cannot be used towards fulfillment of program or major requirements.**

A student may be granted academic bankruptcy only once. Academic bankruptcy may be granted in two instances:
- If less than 3 calendar years have elapsed since the semester for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all coursework taken
during that one semester, provided the student has satisfactorily completed 18 semester hours of coursework at the institution since the desired bankruptcy semester.

- If 3 or more calendar years have elapsed since the most recent semester for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all coursework taken during no more than 3 semesters, provided the student has satisfactorily completed 18 semester hours of coursework at the institution since the most recent desired bankruptcy semester.

Students wishing to apply for academic bankruptcy must use the standard bankruptcy request form available from the Office of Records, and must include all information and materials as specified on the form. Requests for bankruptcy must be submitted to the Office of Records prior to the last day of the late registration/schedule adjustment period in the semester of the student’s anticipated graduation.

Students are encouraged to contact their academic advisor before applying for academic bankruptcy for any semester. **Special regulations pertain to students receiving veteran’s benefits or financial aid:** those individuals must confer with the Director of Veterans Affairs or the Director of Student Financial Aid prior to applying for academic bankruptcy.
