

Banner Operations Committee
September 8, 2015
2:00 PM

Present: Crystal Creekmore, Teresa Suit, Cathy Brett, Mary Chambliss, Carolyn Carthen, Jerrie Smith, Necedah Henderson, Kim Braden (recording).

Absent: Tina Hicks, Beth Reed, Penny Pitts, Lisa Payne

1. SSN:

- a. What would happen if we put xxx-xx's then the last four
 - i. Official transcript—students not in banner are filed in drawer. If student has unique name or DOB-most only have last four of SSN.
 - ii. We could use xxx-xx-1234 to store these. Batch processing—Banner will match as long as they are corrected once they become a student

2. IPEDS:

- a. Non-resident aliens don't match Banner/data warehouse
- b. Laura: F1, foreign visa
- c. GOINTAL= Passport tab, alien registration #, they are their own "bucket". Think the alien registration is missing at some point, more student need the # than what we have.
- d. Cathy, Laura, Crystal, Debbie and Necedah will meet to discuss this issue.

3. TSA continue:

- a. All students on Chapter 31-Dianne Shelton bills these students
