February 23, 2005

Library

Athens State University

Members attending were Jo Huffman, Sara Love, Debbie Miller, and Molly Pepper.

Sara Love, Committee Chairperson, called the meeting to order at 2:00 p.m.

The committee made revisions to the "A Walk Across Campus" brochure. The members went page by page deciding on whether or not to change pictures and how to revise the text. They decided to get the map enlarged and add a list of the historic trees on campus. The committee decided to meet again to verify the changes before sending the final version to Betty Marks for publication.

The meeting adjourned at 3:30 p.m.
