Repetition of Courses  
Effective Fall 2019

I. Policy Statement and Purpose

In accordance with Athens State University’s educational mission, this policy establishes the standards for courses originally taken and subsequently repeated at Athens State University. These standards are based on comparable practices at other institutions of higher education, and also recognize the unique status of the University as an upper-division institution.

II. Repeating a Course – Effect on the Grade Point Average (GPA) - Undergraduate Students

Students should be aware that course repeats, regardless of the reason, are frequently looked upon unfavorably by employers, honor societies, and graduate schools.

Any course originally taken at Athens State University must be repeated at Athens State University for the repeated course to count towards program requirements. While the grades for all repeated courses remain on the Athens State transcript, only the most recent course grade will be used in calculating the institutional GPA and for determining fulfillment of program or major requirements or eligibility for honors.

Students are encouraged to contact their academic advisor before repeating any courses. Special regulations pertain to students receiving veteran’s benefits or financial aid: those individuals must confer with the Director of Veterans Affairs or the Director of Student Financial Aid prior to registering for a course repeat.

III. Repeating a Course – Effect on the Grade Point Average (GPA) – Graduate Students

Any graduate course originally taken at Athens State University must be repeated at Athens State University for the repeated course to count towards program requirements. All grades, including those for all repeated courses, will remain on the Athens State University transcript and will be used in calculating the institutional GPA and for determining fulfillment of program or major requirements.
