Adult Degree Program (ADP)

The mission of the Adult Degree Program (ADP) at Athens State University is to serve the adult working student who has completed some college coursework without completing a baccalaureate degree. To encourage student success, the ADP is designed to reduce or eliminate barriers for returning adult students while providing academically sound alternative methods to apply knowledge gained from the integration of work and classroom experience and to assist the student in the timely achievement of their professional and career goals.

ADP is for students 25 or older, who have at least 5 years of work experience, have some college credit, and have never received a B.S. degree. The degree options available through ADP are B.S. in Management of Technology, B.S. in Liberal Studies, and B.S.Ed. in Technical Education (non-certification tracks only). Non-traditional credit may be awarded by Athens State University for military training/experience, completion of nationally-recognized exams such as CLEP/DSST, or for prior learning for those students who have acquired knowledge through legitimate means outside an academic environment (employment certifications, seminars, training programs, work experience, civic activities, and volunteer services). Prior learning assessment requires completion of a professional portfolio where students must describe, reflect, and synthesize their learning experiences carefully.

For questions regarding services, contact Felicia Mucci, Director for Adult Degree Completion Program: 256-233-8281 or email: Felicia.Mucci@athens.edu .

Student Success Center

The Student Success Center provides a central location to receive academic guidance, information, and bachelor's degree advising/planning. As an upper-division institution, every student attending Athens State brings with them transfer credit, the center helps to provide appropriate course of action for every student's individualized situation. The center partners with other university offices to offer a broad set of resources and services to empower students to excel personally and academically. The center also facilitates and coordinates strategic initiatives to support student success.

Appointments can be made in person or over the phone from the Department's web page: <https://www.athens.edu/tssc/#prospect>. The Student Success Center is located on the first floor of Sandridge Student Center.

Writing Center

The Athens State University Writing Center provides free services to help both graduate and undergraduate students at any stage of the writing and communication process. Knowledgeable peer consultants conduct writing center sessions either in face-to-face sessions or online. We offer individual and group tutoring for many types of projects, including essays, research papers, presentations, and digital writing (such as blogs, wikis, & websites).

The Writing Center is located on the first floor of the Athens State University Library in the Learning Commons Area; turn right when you enter the library.

We provide face-to-face and live online sessions. Face-to-face sessions are preferred, as they offer the most useful way to facilitate communication between the client and consultant. Live online sessions are conducted either by video or by a "chat" feature quite like instant messaging. Online sessions must be scheduled in advance, and students must "show up" online at the scheduled time to keep an appointment. View instructions on the website.

The Writing Center is staffed with consultants—students at Athens State—who work with their peers on various academic and professional writing assignments. Consultants engage clients in conversation about their projects, pose questions, and discuss revision strategies; they use a variety of methods—both directive and non-directive—to help clients successfully complete their projects. Consultants do not edit, proofread, or write texts for their peers—although they do have productive, educational ways to discuss grammar, editing skills, and proofreading.

The Writing Center can be contacted by phone: 256-216-6665 or email: writing.center@athens.edu. During unstaffed hours, please allow time until the Writing Center re-opens to receive a response to a voicemail or email.

The recruitment cycle begins in September each year.
